

The Idaho Health Care Association, Idaho State University -Institute of Rural Health, Idaho Department of Health and Welfare and the Idaho Bioterrorism Awareness and Preparedness Program presents:

## **Facility Fire and Life Safety Workshop**

**Tuesday, December 5<sup>th</sup> from Noon to 2 pm MDT (11 to 1 pm PDT)  
at locations throughout Idaho**

### **Presenters**

**Debby Ransom, Mark Grimes, Loretta Todd, Lorene Kayser, Eric Mundell, Taylor Barkley, Chris Laumann, Sylvia Creswell and Jamie Simpson. All of the presenters are from the Idaho Department of Health and Welfare**

The purpose of the broadcast is to inform and educate providers, Administrators, Maintenance Engineers and other interested persons of the recent changes in the Facility Fire/Life Safety Survey Program. These changes are due to staff and programmatic reorganization within the Bureau of Facility Standards, as well as recent changes in CMS regulations. We will discuss those changes and overview the Fire/Life Safety Survey process; review the most common citations, and how to prevent/correct those citations, explain the principles of life and property conservation and how it relates to surveys, and time permitting; we will discuss the newly proposed CMS Rules requiring retrofitting sprinklers into existing Long Term Care Facilities.

### **Locations**

**Pocatello:** ISU Campus, Eli Obolor Library, Room B13

**Idaho Falls:** ISU-Idaho Falls, 1770 Science Center Drive, Room CHE 208

**Twin Falls:** ISU -Twin Falls Center, Evergreen Bldg, Room B -40
