Flow Chart for EIS-180

PURPOSE:

The **EIS-180** form is used to transfer vacation hours from one state employee's balance into another state employee's sick leave balance.

REQUIREMENTS:

Both donating and receiving sections of the form must have an Appointing Authority Signature, even if the agency is the same in both cases.

Employee must be eligible to accrue sick and vacation leave.

The transferring hours must match the receiving hours.

Refer to IC 67-5334(g) and Division of Human Resources HR Policy Section 6: LEAVE DONATION

Donating Agency Responsibility:

- When an employee wants to donate time to another employee in a different agency, the appropriate forms must be filled out and sent by that donating employee's agency.
- Employee is not eligible to donate time if he/she does not have a vacation balance greater than 80 hours or the amount requested to transfer puts his/her vacation balance below 80 hours.
- No employee may transfer (donate) more than 80 hours of vacation leave in a given Fiscal Year.
- The name of the employee donating vacation hours must be clearly printed on the form.
- The donating employee's signature must also be present.

Receiving Agency Responsibility:

- The receiving employee is eligible **only** if he/she or a family member suffers from serious illness or injury.
- No employee may receive more than 160 hours of transferred leave in a given Fiscal Year.
- Idaho Code #67-5334 states that all sick and vacation balances must be exhausted before an employee is eligible to receive donated time. Therefore, the receiving employee’s total sick and vacation balances combined must be less than the employee’s normal pay period hours (ILC Screen) prior to processing the EIS-180 form.
- The name of the employee receiving sick hours must be clearly printed on the form.

PROCESSING:

If Division of Statewide Payroll receives an **EIS-180** form **after** the due date, it **will not** be processed for the current pay period and the donated hours **will not be** available for use until the following pay period.

If the **EIS-180** form has been faxed to Division of Statewide Payroll, **DO NOT** send the original **EIS-180** form to Division of Statewide Payroll. This may cause forms to be processed twice.

Note: If facts stated on the **EIS-180** form are inconsistent with the law, Division of Statewide Payroll will mark the form ‘**NOT PROCESSED**’ and return it to the receiving agency. It will be the receiving agency’s responsibility to notify the donating agency that the form was not processed.

DISTRIBUTION:

Copies = 1 (The Original is sent to State Controller's Office.)
It is recommended that the agency retain a copy for their records.
