ACADEMIC PROGRAM REVIEW ANNUAL REPORT GUIDELINES
(Due November 1st)

1. Refer to the action plan from your most recent program review.
   A. Describe progress your program has made according to your action plan and timeline.
   B. Describe your next steps for the upcoming academic year.

2. Refer to your assessment plan.
   A. Report assessment results for program level student learning outcomes that were assessed in the most recent academic year. (Use table in same format as APR.)
   B. Discuss the results and describe the actions your program will take.

3. Describe operational and other changes your program plans to make that are not discussed under #1 and #2 above.
