AAAPR Meeting—May 5

Standard Two:

1) Almost finished collecting policies—thank you!
2) Next step: craft narratives
   a) Page limit is 25-50 total, so individual items can’t be too long
      i) How policies have changed
      ii) How they were implemented
      iii) Are they working well? If not, what is our plan?
      iv) When last reviewed?
   b) Committee members should work with the people who “own” the policies.
      May want to interview them.
   c) Policies under review. Faculty Senate will work on these next year:
      i) Workload 2.F.1
      ii) Periodic Performance Review 2.F.4
      iii) Faculty Ethics 2.D.2
      iv) Academic freedom 2.B.1 and 2.B.2 (also under 2.F.1; probably doesn’t need to be there)
3) Submit narrative drafts to Stefanie by June 12. IE will send back to committee by July 14
4) Will start on Standard One, with a meeting the week of June 15
