*The purpose of this resolution is to restore the closed/finals week policy from the 2019-20 Idaho State University Undergraduate Policy.*

WHEREAS: The previous closed/finals week policy which can be found under "Other Policies" labeled as "Closed Week Policy" states: "Any final examination must be conducted during the officially scheduled time slot except in laboratory courses or sections where the final examination may be conducted during the last regularly scheduled class session. Any exception to this policy may be allowed only on an individual student basis, to be arranged between the professor and the student. Other required tests or quizzes on which the professor bases any part of the course grade are prohibited during the 7 calendar days immediately preceding the first day of final examinations week except in performance sections, night classes, 8-week courses, Saturday courses, and sessions during the summer semester. Graduate-level courses and activities are exempt from this closed week and final exam policy."

WHEREAS: Undergraduates would be better off having this right protected for them through policies in the undergraduate handbook.

BE IT THEREFORE RESOLVED: ASISU supports the policy under "Other Policies" labeled as "Closed/ Finals Week Policy" from the 2019-20 Idaho State University Undergraduate Catalog to be restored into the upcoming Undergraduate Catalog.
