Getting Across the Finish Line: Helping Students Finish Their Degrees

“We know that students stop out of college for many different reasons,” says Dean Kandi Turley Ames. “People are facing many challenges, and it is our hope that we can support--even just a handful of students--to help them achieve their goal of earning a degree.”

"Simulation gives a great viability to our program and reframes our ability to contribute to bettering humanity..."

- Vanessa Ballam

EMS professionals and trainees work with actors who portray accident victims for a more realistic training experience.

ISU Students Dedication to Sharing Women's Stories

"Scholars studying the 1977 Conference will turn to these biographies, written by our students, to assist in their research. The students are creating new knowledge about the feminist movement in the 1970s."
