

**Statement of Interest  
for serving on the Cultural Events Committee**

March 25, 2019

Dear College of Arts & Letters Colleagues:

My interest in serving on the Cultural Events Committee derives from my desire to see ISU continue to support a diverse and multi-disciplinary range of excellent events, especially those that help connect our academic knowledge and experience with both the broader ISU community as well as persons in the local Pocatello and southeast Idaho areas.

I bring event planning experience from past leadership roles with ISU events such as the Humanities Café, multiple Gender and Sexuality Conferences, and various department and college film showings and panel presentations. I have also been involved in the organization and leadership of professional conferences.

I note that as I am currently serving as Faculty Ombuds, it would be inappropriate for me to serve on most University or College committees due to potential conflicts of interest; however, I do not judge this to be the case with regard to the Cultural Events Committee.

Thank you for your consideration.
