

More Fun on the Web

Student Version

The following web sites are resources for more activities and fun with space exploration – Enjoy!

Program Information

Idaho TECH: The official Idaho TECH web site
http://www.ed.isu.edu/Idaho_TECH/index.shtml

NASA ISGC: The official web site for the NASA Idaho Space Grant Consortium
<http://www.idahospacegrant.org/>

NASA Homepage: The official web site of the National Aeronautics and Space Administration
<http://www.nasa.gov/>

Information and Activities Related to Mars

Mars Explorer Mars Map-A-Planet: Allows you to get an image map of any area on Mars at a variety of zoom factors, image sizes, and map projections.
<http://pdsmaps.wr.usgs.gov/PDS/public/explorer/html/marseasy.htm>

Alien Mars Exploration Program: Learn about all the different missions that NASA currently has at Mars, or planned for future Mars exploration.
<http://mars.jpl.nasa.gov/>

NASA Quest – Mars Team Online: Extensive information about the Mars Pathfinder & Mars Global Surveyor missions.
<http://quest.arc.nasa.gov/mars/>

Imagine Mars: Interact with scientists, engineers, artists, architects, and community leaders to learn about Mars.
<http://mars.nasa.gov/imagine/>

Information About Astronauts

So You Want to be an Astronaut?: Learn about the benefits and challenges of being an astronaut.
<http://www.nasa.gov/astronauts/index.html>

Cool Sites About Space

The Nine Eight Planets: A multimedia tour of the Solar System by Bill Arnett.

www.nineplanets.org

The Space Place: Information and cool interactive activities related to space science. There are even pages to do and make “spacey things!”

<http://spaceplace.nasa.gov/>

NASA Kids: A site with activities, games, projects, and more!

<http://www.nasa.gov/audience/forkids/kidsclub/flash/index.html>

Mars Map-A-Planet: Allows you to get an image map of any area on Mars.

<http://pdsmaps.wr.usgs.gov/maps.html>

StarChild – A Learning Center for Young Astronomers: Visit this site to learn more about the Solar System, the Universe, or **other** Space Stuff!

<http://starchild.gsfc.nasa.gov/docs/StarChild/StarChild.html>

Astronomy Picture of the Day: Check out a new astronomy picture every day!

<http://apod.nasa.gov/apod/astropix.html>

Window to the Universe Kids’ Space: Fun activities and games for kids.

http://www.windows2universe.org/kids_space/kids_space.html

Welcome to the Planets: A complete collection of information about and images of the bodies of our Solar System.

<https://pds.jpl.nasa.gov/planets/>

Astro-Venture: Astro-Ferrett will help you build your own planet!

<http://quest.arc.nasa.gov/projects/astrobiology/astroventure/avhome.html>
