 - Adult Learning/Motivational Interviewing: Fall 2018, 2019, 2020, 2021, 2022, 2023
 - Functional Assessment: Spring 2019, 2023; Fall 2023

SCHOLARLY

On-Going:

- Manuscript: Journal of Interprofessional Care
Title: **Health Professional Student perceptions of an Interprofessional Clinical Assessment and Staffing Experience**

Description: A number of professors from various fields are working together to collect data from students who experience the Interdisciplinary Evaluation Team Class to determine the effect it has on students behaviors and outlook of different professionals. Due to health issues in our team we were unable to complete the manuscript and are therefore extending one more year to finalize the manuscript. Research Type: Scholarly

Collaborators: Jennifer Holst, Robert Rieske, Allisha Weeden, Leciel Bono
