Courier Service

E-Ship Global

ISU International Programs uses an express mail service, E-Ship Global, that will allow you to receive your I-20 packet through FedEx in 5–7 business days. Requesting your packet to be sent through E-Ship Global is at YOUR expense and your credit card (Visa, MasterCard, or Discover cards only) will be charged upon requesting the service. Estimated cost for shipping is between $40.00 and $70.00. To request express mailing of your packet, go to https://study.eshipglobal.com (works best with Internet Explorer and Mozilla Firefox browsers).

Courier service is only available through E-Ship Global. You must use the website provided above – do not go through the FedEx website directly. There is no need to contact us after you schedule your shipment. E-Ship Global will notify our office of your shipment request.
