Sponsored Student Information Form

Student Last Name/Family: __________________________ Student First/Given Name: __________________________

Bengal ID: __________________________

Sponsored Student ID: __________________________

Expected Graduation Date: __________________________

It is very important that you enter an accurate estimated graduation date. If you are not sure what date you expect to graduate, please consult with the IPO Academic Advisor by sending an email to srivniti@isu.edu

Important Note: F-1 regulations stipulate that no more than the equivalent of one class or three credits per semester may be counted toward the full course of study requirement. Therefore, unless an authorized reduced course load (RCL) has been approved by an IPO immigration advisor, at least 9 credits (for undergraduates) or 6 credits (for graduate students) must be in courses that require your physical attendance.

I have read the above and understand that failure to maintain a full course of study could result in the termination of my SEVIS record.
