The Clinical Training Program welcomes applicants who have completed the MS or MA degree at other accredited institutions. Please refer to the 2024-2025 Graduate Catalog. Departments are allowed to accept credits by transfer in total or part toward the completion of the doctoral degree in clinical psychology at

ISU. Departmental subject matter experts review a newly matriculated student's transcripts and course syllabi, as well as interview the student to determine equivalencies. Transfer credits, which can include the student's masters thesis, often reduce the time to completion by as much as one year.
