SUGGESTED COURSE SEQUENCE FOR B.M.E. DEGREE

(R) = Classes that meet on an alternating year rotation. If you miss/fail one of these classes, you may not be able to take it again for THREE semesters.

(S) = Classes that are traditionally offered during the summer. Taking these during the summer may give you more flexibility, less workload, and could reduce the amount of semesters needed to graduate.

***The Piano Proficiency Requirement must be met.** If a student cannot pass the proficiency exam, he/she must take Class Piano (1118-1119 or 2218-2219) courses at the appropriate level until MUSC 2219 is passed with a “C-” or better. Students must register concurrently for Class Piano with MUSC 1103-1104 and 2203-2204.

**** Senior Recital.** Students are expected to participate in chamber ensembles during their degree program. A chamber work is required on the senior recital. Students may sign up for optional credit, but you must do a FULL RECITAL for 2 credits.

***** Objectives:** You must take 36 credits of Approved Objective courses to graduate (see the undergraduate catalog for approved courses). Vocal BME Majors are encouraged to Foreign Language to complete Objective 4 and the completion of the 36 total credits.

Admission to the Teacher Education Program

Students must apply for admission to the Teacher Education Program. Application forms are available in the Student Academic Advising Center of the College of Education. Students may not register for Education courses numbered 3000 and above until full admittance to the Teacher Education Program in the College of Education is achieved. Music Education majors should apply for admission during the junior year. Specific requirements for admission are available in the ISU Undergraduate Catalog, and on the College of Education Website. Applications are usually due in October/March.

Application for Student Teaching: Students must also apply for student teaching ONE YEAR before they student teach. Students must have Praxis II Scores, and have completed all previous coursework. Applications are due in October/March.
