

Solicitation and Posting Guide

Any student, student organization, solicitor, agent, or salesperson operating for his/her own benefit and for interests not directly connected with the University's interests is not permitted to solicit, advertise on campus, or participate in any University function without approval. All materials, upon approval, are restricted to areas designated by the approver to areas that will not disrupt the flow of traffic or facility standards.

Canvassing of the Residence Halls, University Apartments, the Student Union, or other University-owned property is not permitted. This includes door-to-door or person-to-person selling. Individuals wanting to purchase advertising through established formats should contact the person responsible for the respective advertising medium; (e.g., The Bengal newspaper, Holt Arena, Athletic Program, telephone book, event sponsorship, etc.).

The University reserves the right to deny solicitation rights to any program not in harmony with its role and mission, philosophy, policies, or applicable federal, state, and local laws. Permission to solicit on the ISU campus in no way reflects University endorsement, opinion, or policy.

All requests must be made in a timely fashion, meaning at least 48 business hours in advance. Some facilities may require requests to be made 2 or more weeks in advance to be considered. Students, solicitors, agents, and salespeople are expected to follow up with the facility they are wishing to solicit or post in to determine the appropriate timeframe.

Student Unions

Solicitation for any purpose is expressly forbidden unless the Associate Vice President of Student Affairs & Student Unions has granted prior written approval. All arrangements must be made through the [Pond Student Union Scheduling and Events Services Office](#), [Bennion Scheduling and Events Services](#), or [ISU Meridian Sam and Aline Skaggs Health Science Center Events and Room Reservations](#).

Pond Student Union Vendor Space

Rental space is available for vendors to reserve in the Post Office/ Bookstore hallway. Consideration for this space is given to Bookstore promotions first. There will not be space available for vendor use during Bookstore promotions. Arrangements must be made and approved in advance with the [Pond Student Union Scheduling and Event Services Office](#).

Food Service

Chartwells has a contract with Idaho State University and is therefore the sole provider of catered food and beverage service for events scheduled in the Pond or Bennion Student Unions and all other facilities on the campus, except for the ICCU Dome, Rec Center and Davis Field. Due to contractual and Health Department regulations, all sponsors must use the official University Food Service (Chartwells) as the caterer or request in writing to get the food service contractor's written permission for any exceptions.

The Continuing Education and Workforce Training Culinary Arts Program is a program within the University and provides some food services for the campus as part of its educational role. It is not the "contract" food service provider.

Distribution of any publication on the campus must be approved by the Associate Vice President of Student Affairs & Student Unions.
