G. FUTURE BUSINESS:

1. Sent to Catalog Format Subcommittee for investigation and recommendation: standardize catalog in regards to experimental courses; every subject code needs a lower division and upper division experimental course. Should it be a 1000 and 4000 level, or a 2000 and 3000 level pairing? Or an experimental course at each level? Grading question too: Letter, S/U, or allow flexibility depending on course and instructor needs?
