Undergraduate Curriculum Council (UCC)
January 25, 2018 – 3:00-5:00 p.m. in Academic Affairs Conference Room AA102
Volume XXXIV, Meeting 1 (20-01)
MINUTES – Approved by Curriculum Council via email on February 1, 2018; Approved by Academic Affairs on February 13, 2018

A. PRELIMINARIES
1a. Attendance:
   Members: Brian Attebery, Sujata Bhandari (ASISU), Lisa Goss, Weldon Hill, Mary Hofle, Bob Houghton (chair), Spencer Jardine, James Lai, Laura McKnight, Joanne Toevs,
   Ex-Officio: JoAnn Hertz, Chris Hunt, Joanne Tokle, Emily White, Corey Zink
   Admin. Asst: Catherine Read
1b. Excused: Susan Belliston, Geoffrey Bennett, Carmen Febles
1c. Guests: Jim Skidmore (GERC)

2. Minutes for approval – none, all were approved

3. Announcements
   a. Welcome to new ASISU Senator representative Sujata Bhandari, replacing Sam D’Amico.
      Members introduced themselves.

4. Report from the Executive Committee:
   Discussed and approved two Change Memos for 2018-19 catalog to be on today’s Consent Calendar.

5. Information from Academic Affairs:
   a. GERC’s final Gen Ed course list for the 2018-19 catalog was approved by Assoc. Deans and Academic Affairs on Jan. 24, 2018.
   b. State Gen Ed Common Course Numbering
      The State Board is mandating common GEM Gen Ed courses across all Idaho universities and colleges in Objectives 1 through 6, to be implemented for the 2019-20 undergraduate catalog. Some minor details and discrepancies still need to be worked out. Tokle and Read presented the informal spreadsheet comparison they had put together showing how ISU’s courses matched up with the SBOE’s list. UCC members will have an active role in shepherding the necessary catalog changes through the proposal approval process this year. Discussion. There is some leeway for choosing different course titles if all the institutions agree and use the same title. Tokle will keep this council informed as more details become available.

6. Current Subcommittee Activities:
   a. General Education Requirements Committee (GERC)
      i. UCC had accepted GERC’s Minutes for September 12, 2017 and September 26, 2017 via email on Nov. 17, 2017. More Minutes will be forthcoming for UCC’s acceptance once GERC approves them.
      ii. Skidmore reported GERC is working through the annual assessment data submitted by departments last fall, identifying areas where confusion is apparent. Still need to find some way of recognizing when a course was not offered in a semester or year.
   b. BAS Committee
      i. Council accepted BAS Minutes for September 29, 2017

7. Information from the Chair: none
8. Information from the Faculty Senate and other Councils:
   a. New videoconferencing equipment is being installed in the Faculty Senate conference room
      this week. The old equipment is over 10 years old and is considered obsolete by the vendor,
      who no longer provides support or maintenance.

   b. Academic Standards Committee:
      • Academic Standing probation policy has several changes: Good Standing, Academic
        Warning, Probation, and Dismissal, now without credit limits imposed. Advisors will
        work with individual students about taking fewer credits per semester.
      • Resident Credit requirements were changed.
      • Graduation with Distinction: added Summa Cum Laude, Magna Cum Laude, and Cum
        Laude in addition to the Honors degree distinction.
      • Two concurrent degrees has eliminated the additional 32-credit requirement
      • Earning a second bachelor’s degree requires additional 15 credits if the first degree was
        awarded by ISU, or 30 credits if degree is from elsewhere.
      • Now require students contact departments to declare a major or minor; not adequate to
        simply put it on application or profile

9. Other related information or questions: none

B. INFORMATION ITEMS

1. State Proposal Status

   #67]  [LON sent to SBOE on 1/16/2018; also has to go to the Professional Standards Committee
   for their approval, so it may not be approved in time for the 2018-19 catalog.
C. CONSENT CALENDAR

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):

1. Council approved Change Memo for 2018-19 Catalog as part of the Consent Calendar: [Appendix A]
   Add new course **HCA 4440 Healthcare Economics and Policy** as the matching undergraduate course for HCA 5540 in the Graduate Catalog.

2. Council approved Change Memo for 2018-19 Catalog as part of the Consent Calendar: [Appendix B]
   Corrections to **Proposal #39** from Community and Public Health:
   - **HE 4410** and **HE 4490** both include references to the program “Health Education” which was changed to “Community and Public Health”. These references need to be updated.
   - There are multiple errors in the program requirements for the “Health Education 45 Credit Endorsement”:
     - It appears from the proposal that HE 4432 was removed from the program requirements, and it should remain.
     - A new course was added, **HE 4444**, but not added to the program requirements.
     - The text “Plus ONE-THREE of the following courses (Minimum 3 credits)” should instead read, “Plus one of the following courses (Minimum 3 credits)”
   The Health Education 45-Credit endorsement will be incorrect without these changes.

   Council approved Items #1 and #2 on the Consent Calendar.

   This Change Memo process is working very well, and allows the Registrar’s Office to clean up the catalog without having to wait a full year. Consider adding this process to the Council’s Bylaws.

Pulled from Consent Calendar, will be on next week’s agenda if Executive Committee approves:

3. Change Memo for 2018-19 Catalog:
   College of Technology grade requirements in their handbooks not reflected in the catalog.

   Curriculum, Course and Program Change Proposals: none this week

D. UNFINISHED BUSINESS

Curriculum, Course and Program Change Proposals: none this week

Remains Tabled:
1. **Proposal #5** from the Bachelor of Applied Science Program to create a new BAS major in Robotics & Communications Systems Engineering Technology. Tabled (with 1 opposed) for further deliberation to define criteria and policy for ‘upper division’ classification. Other problems regarding the nature of CTE courses have since arisen that require resolution. Requires approval by SBOE and NWCCU. (Corresponds to State Proposal #2017-03).

E. NEW BUSINESS –

Curriculum, Course and Program Change Proposals: none this week

1. Council Officers for Next Year – Chair, Vice Chair, and Secretary
   **Eligible members:** Carmen Febles, Bob Houghton, Joanne Toevs, Lisa Goss, Geoffrey Bennett, Weldon Hill, Susan Belliston, Laura McKnight
   Members were asked to submit nominations for consideration next meeting.
2. Course Audit proposition
   Suggest this council audit the undergraduate catalog to identify courses that have not been taught in several years and ask departments to consider cleaning up the undergraduate catalog by deleting their extraneous courses. This could be a summer project for a small subcommittee to work with the Registrar’s Office to create a list of courses that have not been taught in three years, five years, and seven years or more. Council would then take a look at the data in the fall and decide whether to take it to departments to consider whether they want to delete those course(s), or take some other action. Discussion. Think about this idea and bring suggestions to the next next meeting.

There was a Graduate Council proposal to add the curriculum for the Masters in Healthcare Administration that was approved both by Graduate Council and the SBOE. HCA 5540 was one of the courses added and the corresponding undergraduate course HCE 4440 does not yet exist in the undergraduate catalog. This memo documents the addition of the corresponding course.

This change has no impact on any other department.

RE: Corrections to Proposal 39 from Community and Public Health for the 2018-19 Catalog

I would like to recommend that the following changes be made to Proposal 39 from Community and Public Health:

- HE 4410 and HE 4490 both include references to the program “Health Education” which was changed to “Community and Public Health”. These references need to be updated.
- There are multiple errors in the program requirements for the “Health Education 45 Credit Endorsement”:
  - It appears from the proposal that HE 4432 was removed from the program requirements, and it should remain.

B. INFORMATION ITEMS

1. State Proposal Status  
   Approved by SBOE: Letters of Notification  
   2017-LON-10: CoEd - change English as New Language (ENL) to English as Second Language (ESL) (UCC AY2019 Proposal 72)  
   2017-LON-05: Department of Community and Public Health change of degree name (from Health Education) (UCC AY2019 Proposal 39)
Awaiting SBOE action: Letters of Notification:

2017-LON-11: CoEd new 30-Credit Endorsement for Family Consumer Science ([UCC AY2019 Proposal #67](#)) ([LON sent to SBOE on 1/16/2018; needs approval from Professional Standards Committee]).

This one is unlikely to be approved in time for the 2018-19 catalog.

C. CONSENT CALENDAR

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):

1. Council approved, as part of the Consent Calendar, Change Memo for 2018-19 Catalog: ([Appendix A](#))

   Add “PREREQ: Admission to Teacher Education Program” to EDUC 4460 and EDUC 4463:

   **EDUC 4460 Foundations of ESL: 3 semester hours.**

   Study of ESL learner characteristics, historical, philosophical, cultural and linguistic foundations of ESL. Theories of language acquisition and those of leaders in the field will be included. PREREQ: Admission to Teacher Education Program AF

   **EDUC 4463 ESL Methods: 3 semester hours.**

   Language assessment, planning, and delivery, for teaching limited English proficient K-12 students. Appropriate methods for students at various developmental stages of language acquisition will be studied. PREREQ: Admission to Teacher Education Program, EDUC 4460 or permission of instructor. AS

2. Council approved, as part of the Consent Calendar, Change Memo for 2018-19 Catalog: ([Appendix B](#))

   Publish College of Technology minimum grade requirements for each program in the catalog.

   These requirements would need to be added to the following programs:

   • Computer Aided Design Drafting Technology – a D- or better.
   • Computerized Machining Technology – a D- or better.
   • Automotive Collision Repair and Refinishing – a D- or better.
   • Diesel/On-Site Power Generation Technology – a D- or better.
   • Aircraft Maintenance Technology – a C- or better.
   • Information Technology Systems – a C- or better.
   • Law Enforcement – a C- or better.
   • Massage Therapy – a C- or better.
   • Practical Nursing – a C- or better.
   • Associate Degree Registered Nurse – a C or better.
   • Occupational Therapy Assistant – a C or better.
   • Pharmacy Technology – a C or better.
   • Physical Therapist Assistant – a C or better.
   • Robotics and Communications Systems Engineering Technology – a C- or better.
   • Surveying and Geomatics Engineering Technology – a C- or better.
   • Unmanned Aerial Systems – a C- or better.
   • Respiratory Therapy – a C- or better.

3. Council approved, as part of the Consent Calendar, Change Memo for 2018-19 Catalog: ([Appendix C](#))

   Clarify requirements for University Honors Distinction and Honors Degree:

   Change to:

   **Requirements for Distinction in the University Honors Program**

   Honors coursework

   (Honors coursework may include any combination of the following: H designated courses e.g., ECON 2202-H, CHEM 1111-H), Honors specific courses (e.g., HONS 1101, HONS 1102), and Honors Contract courses (see description below).

   HONS 3391 Honors Seminar

Feb. 8, 2018 – Minutes for 2nd meeting of Undergraduate Curriculum Council for AY19-20 catalog
Total Hours 19

**Requirements for Degree in the University Honors Program**

Honors Coursework 23

(Honors coursework may include any combination of the following: H designated courses (e.g., MGT 3312-H, CHEM 3301-H), Honors specific courses (e.g., HONS 2220, HONS 3393), and Honors Contract courses (including Independent Problems (e.g., EE 4481) or Senior Thesis (e.g., BIOL 4493), also see description below).

Upper Division Honors Coursework 6
HONS 3391 Honors Seminar 2
HONS 4493 Honors Senior Thesis or Project 1-3

Defense of Honors Thesis Total Hours 32-35

Council voted unanimously to **approve** all three items on the Consent Calendar.

**Curriculum, Course and Program Change Proposals:** none this week

Several 2019-20 Proposal requests have been received and are being processed. A new Tracking Sheet has been created for this catalog year, and the Proposal Form was updated.

D. **UNFINISHED BUSINESS**

1. Council Officers for Next Year – Call for Nominations
   Eligible members: Carmen Febles, Bob Houghton, Joanne Toevs, Lisa Goss, Geoffrey Bennett, Weldon Hill, Susan Belliston, Laura McKnight

   Council elected the following Officers for the 2018-19 Academic Year:
   Chair: Bob Houghton
   Vice Chair: Susan Belliston
   Secretary: Carmen Febles

2. Catalog Cleanup proposition – further discussion from last week
   Suggest this semester UCC do a feasibility study whether to identify which courses have not been taught for several years. Work with Chris Hunt and Vince Miller to create the list this summer. Discussion. Houghton will bring a draft memo to UCC’s next meeting directed to department chairs encouraging them to take a look at their programs and course offerings with an eye to cleaning up the catalog. It is misleading to students if the catalog lists courses that are inactive or no longer offered. UCC may consider a one-time streamlined catalog change process to help departments easily remove outmoded courses for the 2019-20 catalog.

**Curriculum, Course and Program Change Proposals:** none this week

Remains Tabled:

1. Proposal #5 from the **Bachelor of Applied Science Program** to create a new BAS major in Robotics & Communications Systems Engineering Technology. Tabled (with 1 opposed) for further deliberation to define criteria and policy for ‘upper division’ classification. Other problems regarding the nature of CTE courses have since arisen that require resolution. Requires approval by SBOE and NWCCU. (Corresponds to State Proposal #2017-03).

   Houghton will arrange to meet with Debra Ronneberg to discuss next steps on this proposal.

E. **NEW BUSINESS –**
1. UCC Website Upgrade – any changes or suggestions to incorporate?
   Layout and format of UCC’s new website will be based on GERC’s recently upgraded website. Members were asked to review the content on UCC’s current website and make suggestions if changes or corrections are needed. While the new website is under construction, the current website will be updated to accommodate the new 2019-20 catalog cycle. White and Read have set up the new online Proposal Request Form, the Proposal Status Tracking Sheet and Proposal template. **UCC is now open for 2019-20 business.**

2. Proposed Bylaws change to add Change Memo process
   After discussion, the Council decided this is a procedural change rather than a Bylaws issue. Read will draft text for the Catalog Change Proposal General Information section of the website.

   Council **officially reviewed its Bylaws** as it is required to do every three years. No changes were deemed necessary, though a couple of minor questions arose:
   - Clarify with Academic Standards Committee which council, if either, has purview over transfer policies and standards for award of ISU credit.
   - Academic Affairs needs to determine where the **Student Success Center** (ACAD, HONS) and **Museum** (MUSE) are housed so UCC will know which council representative is responsible for shepherding those proposals through the catalog change process.

**Curriculum, Course and Program Change Proposals:** none this week
   New proposal requests are coming in so members were asked to watch the Tracking Sheet and work with their constituent Proposal Originators.

**F. ADJOURNMENT:** 4:15 p.m.

**APPENDICES**

**ACTIONS APPROVED:**

**Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):**

**A.** Change Memo for 2018-19 Catalog:
   Add “PREREQ: Admission to Teacher Education Program” to EDUC 4460 and EDUC 4463:

   **To:** Undergraduate Curriculum Council Executive Committee

   **From:** Chris Hunt, Associate Registrar

   **cc:** Joanne Toevs, Jamie Webster

   **Date:** January 31, 2018

   **RE:** Corrections to Course prerequisites EDUC 4460, EDUC 4463

   I would like to recommend that the following prerequisite statement be added to EDUC 4460 *Foundations of ESL* and EDUC 4463 *ESL Methods* for the 2018-19 catalog:

   **PREREQ:** Admission to Teacher Education Program

   Rationale: EDUC 4460 and EDUC 4463 draw heavily on the candidates ability to understand cognitive development, scaffolded learning theories and the ability to write, implement and assess lessons in a K-12 teaching environment. Candidates who have not been admitted to the teacher preparation program, lack foundational skills to successfully complete the class. By adding admission to the teacher education program as a
prerequisite, we can ensure that candidates possess the necessary foundational knowledge to be successful in the classes.

**EDUC 4460 Foundations of ESL: 3 semester hours.**
Study of ESL learner characteristics, historical, philosophical, cultural and linguistic foundations of ESL. Theories of language acquisition and those of leaders in the field will be included. PREREQ: Admission to Teacher Education Program AF

**EDUC 4463 ESL Methods: 3 semester hours.**
Language assessment, planning, and delivery, for teaching limited English proficient K-12 students. Appropriate methods for students at various developmental stages of language acquisition will be studied. PREREQ: Admission to Teacher Education Program, EDUC 4460 or permission of instructor. AS

This change has no impact on any other department.

**B. Change Memo for 2018-19 Catalog:**
Publish College of Technology minimum grade requirements for each program in the catalog.

To: Undergraduate Curriculum Council Executive Committee

From: Chris Hunt, Associate Registrar

c: Corey Zink, Geoffrey Bennett, Weldon Hill

Date: January 31, 2018

RE: Clarification of grade requirements in College of Technology program requirements

Some, but not all College of Technology program requirements in the undergraduate catalog include a phrase similar to the following:

“This program requires students to achieve certain grades in order to advance each semester. Specific information is available in the program’s student handbook.”

The College of Technology would like for the minimum grades required to continue in the program to be published in the undergraduate catalog for all programs.

These requirements would need to be added to the following programs:

- Computer Aided Design Drafting Technology – a D- or better.
- Computerized Machining Technology – a D- or better.
- Automotive Collision Repair and Refinishing – a D- or better.
- Diesel/On-Site Power Generation Technology – a D- or better.
- Aircraft Maintenance Technology – a C- or better.
- Information Technology Systems – a C- or better.
- Law Enforcement – a C- or better.

- Physical Therapist Assistant – a C or better.
- Robotics and Communications Systems Engineering Technology – a C- or better.
- Surveying and Geomatics Engineering Technology – a C- or better.
- Unmanned Aerial Systems – a C- or better.

February 15, 2018 – virtual meeting by email
Volume XXXIV, Meeting 3 (20-03)
MINUTES – Approved by Curriculum Council on March 8, 2018 via email ballot; Approved by Academic Affairs on April 9, 2018

A. PRELIMINARIES
1a. Attendance:
   Members: Brian Attebery, Susan Belliston, Sujata Bhandari (ASISU), Carmen Febles, Lisa Goss, Weldon Hill, Mary Hofle, Bob Houghton (chair), Spencer Jardine, James Lai, Laura McKnight
1c. Guests: none

3. Announcements -- none

4. Report from the Executive Committee:
The Executive Committee decided to hold a virtual meeting via email this week instead of meeting in person. There were two Change Memos sent to the full UCC for consideration and vote, along with the Minutes from UCC and BAS Committee meetings.

5. Information from Academic Affairs: none this week

6. Current Subcommittee Activities:
a. General Education Requirements Committee (GERC) – nothing this week

   b. Council voted to accept BAS Committee’s Minutes from November 17, 2017.

7. Information from the Chair: none

8. Information from the Faculty Senate and other Councils: none

9. Other related information or questions: none

B. INFORMATION ITEMS -- none

C. CONSENT CALENDAR – nothing this week

D. UNFINISHED BUSINESS

1. Catalog Cleanup – draft memo to department Chairs and program directors – forthcoming for next week

2. Change Memo Process website text – forthcoming for next week

Curriculum, Course and Program Change Proposals: none this week

Remains Tabled:
1. Proposal #5 from the Bachelor of Applied Science Program to create a new BAS major in Robotics & Communications Systems Engineering Technology. Tabled (with 1 opposed) for further deliberation to define criteria and policy for ‘upper division’ classification. Other problems regarding the nature of CTE
courses have since arisen that require resolution. Requires approval by SBOE and NWCCU.
(Corresponds to State Proposal #2017-03).

E. NEW BUSINESS –

Curriculum, Course and Program Change Proposals: none this week, Proposal requests are coming in so please watch the Tracking Sheet and work with your POs.

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):

1. Council approved the following Change Memo for 2018-19 Catalog (Appendix A)
   Credit Changes to EDUC 3308 and EDUC 4408:

   The College of Education has requested the following changes in course credits:
   • EDUC 3308 from 4 credits to 3 credits, and,
   • EDUC 4408 from 2 credits to 3 credits.

   These courses were new in the 2017-18 catalog and have not yet been offered. This change would have no effect on any other department.

2. Council approved the following Change Memo for 2018-19 Catalog:
   Adjust prerequisites for ENGL 1101P.

   In order to both streamline the registration process into ENGL 1101P for students who have not yet taken the ACT or SAT, and ensure that international students receive the most effective English composition sequence placement, the method of checking prerequisites for ENGL 1101P needs to be adjusted for the 2018-19 undergraduate catalog. The course description for ENGL 1101P would change as shown below.

   **ENGL 1101P English Composition Plus: 4 semester hours.**
   Variation of ENGL 1101 in which students not placing into ENGL 1101 receive intensive supplemental instruction in reading, analyzing, and writing expository essays. Partially satisfies Objective 1 of the General Education Requirements. Equivalent to ENGL 1101. PREREQ: IELTS® 7.0-7.5 or TOEFL 94-109 (iBT) or ACT below 18 or SAT 440 or lower or completion of ENGL 1123 with C- or better or completion of ENGL 0090 with S. Placement for Intensive English Institute (IEI) students only: Average grade of A- or A in the final session of their prescribed course of study. Students admitted to the university without ILETS, TOEFL, ACT, or SAT scores, or without having attended the IEI should International Students will need to consult the Chair, Department of English and Philosophy, concerning placement. F, S

   In the prerequisite checking configuration in the student information system, the actual check of SAT and ACT scores would be removed, while a registration restriction excluding international students would be added. This would allow domestic students who have not taken any placement exams to register for ENGL 1101P without any intervention, while it would ensure that the Department of English and Philosophy would have the opportunity to place international students in the composition course that best meets the student’s need.

   International students would still be able to place into either ENGL 1122 or ENGL 1123 based on their TOEFL or IELTS scores.

F. ADJOURNMENT: 5:00 p.m.
ACTIONS APPROVED:

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):

A. Change Memo for 2018-19 Catalog:
   Credit Changes to EDUC 3308 and EDUC 4408:

   To: Undergraduate Curriculum Council Executive Committee
   From: Chris Hunt, Associate Registrar
   cc: Joanne Toevs, Jamie Webster, Mark Neill
   Date: February 8, 2018
   RE: Credit Changes to EDUC 3308 and EDUC 4408

   The College of Education has requested the following changes in course credits:
       • EDUC 3308 from 4 credits to 3 credits, and,
       • EDUC 4408 from 2 credits to 3 credits.

   These courses were new in the 2017-18 catalog and have not yet been offered. This change would have no effect on any other department.

   I would recommend that this change be made for the 2018-19 catalog.

B. Change Memo for 2018-19 Catalog:
   Adjust prerequisites for ENGL 1101P.

   To: Undergraduate Curriculum Council Executive Committee
   From: Chris Hunt, Associate Registrar
   cc: Jennifer Attebery, Joanne Tokle, JoAnn Hertz
   Date: February 7, 2018

APPENDIX

Text to be added to UCC’s webpage: Catalog Change Proposals: General Information above the State Proposal information:

Catalog Change Memos -- originate from the Registrar’s Office for minor corrections and changes to the catalog

The UCC has implemented a process that allows the Registrar’s Office a way of correcting minor errors found in the catalog or making minor changes that do not affect any other campus units without the need for a full UCC proposal.

- Working with the affected department chair, the Registrar’s Office writes a Catalog Change Memo to the UCC Executive Committee and the Department Chair explaining the need for the proposed changes and showing exactly what changes would be made to the catalog.
- The UCC Executive Committee discusses the Change Memo at their next meeting and decides whether the proposed changes should be considered for inclusion in the upcoming catalog.
- If so approved by the Executive Committee, the Change Memo is added to the UCC’s agenda and is sent to the full UCC membership for their review and consideration. At that point the Change Memo is treated in the same manner as a full proposal.
A. PRELIMINARIES
1a. Attendance:
Members: Brian Attebery, Susan Belliston, Geoffrey Bennett, Sujata Bhandari (ASISU), Carmen Febles, Lisa Goss, Weldon Hill, Mary Hofle, Bob Houghton (chair), Spencer Jardine, James Lai, Laura McKnight, Joanne Toevs
Ex-Officio: Chris Hunt, Joanne Tokle, Emily White
Admin. Asst: Catherine Read
1b. Excused: JoAnn Hertz
Absent: Corey Zink
1c. Guests: Jim Skidmore

2. Council approved its Minutes for March 8, 2018 (virtual meeting by email)

3. Announcements – it’s almost the end of the semester!

4. Report from the Executive Committee:
   Executive Committee met today. Change Memo received from College of Education – did not follow the established process. Chris Hunt will talk with the college and create the proper change memo.
   a. Common Gen Ed Course update and Plan of Action
   UCC (i.e., Bob Houghton) will write a UCC catalog change proposal that incorporates all the gen ed course number and title changes mandated by the SBOE once the list is finalized in May. Houghton will work with the departments to get the relevant GERC proposals and assessment plans written and submitted, too. Tokle explained the SBOE was open to the Discipline Group reps working out the courses, numbers, and titles to be included on the final list, so there is some opportunity for faculty input. Discipline Groups’ recommendations are due to SBOE by May 1, 2018.
   b. Spring Semester Work Plan
   Submit, process, and review all proposals requiring State Proposals before the end of this semester.

5. Information from Academic Affairs: none

6. Current Subcommittee Activities:
   a. General Education Requirements Committee (GERC) –
   Assessment of gen ed courses is continuing. The Five-Year Objective Review Committees met and prepared for their reports for Objectives 1 and 2. Next spring will be the Five-Year Review of Objectives 3 and 4, which will be a huge undertaking because of the number of courses in those two Objectives.
   b. Council accepted BAS Committee Minutes for February 9, 2018

7. Information from the Chair: none

8. Information from the Faculty Senate and other Councils:
Houghton reported Academic Affairs will be doing another round of Program Prioritization process this year, May through October. A faculty group is being formed to work on developing new metrics. Houghton will be a member of that committee; other interested faculty would be welcome to join.

9. Other related information or questions:
Tokle reported the University Assessment Committee is in the midst of purchasing assessment software: Taskstream and Aqua. Catherine Read will be learning to use the software this summer and will be able to help departments and GERC with their assessment efforts.

B. INFORMATION ITEMS
1. State Proposal Inquiries – may materialize this semester, check with your units

  1c. Guests: none

2. Minutes – none; those for March 8, 2018 and March 29, 2018 were approved by email vote

3. Announcements – finals are coming up in a couple of weeks

4. Report from the Executive Committee:
   a. Catalog Cleanup Project update
      The UCC Executive Committee met yesterday and discussed the data provided by Hunt of courses that have not been offered in several years. The data confirms that most programs have done a good job of keeping their course offerings relatively current. The Executive Committee will provide each program director and/or department chair their relevant information with a memo encouraging them to review their course offerings. The Executive Committee also reaffirmed UCC’s authorization for Hunt to format the online catalog as necessary to make it more user friendly.

5. Information from Academic Affairs:
   SBOE has approved ISU’s reorganization of Kasiska Division of Health Sciences, still awaiting approval from North West accreditors (NWCCU). The new Colleges created were Nursing, Health Professions, and Rehabilitation & Communication Sciences in addition to the existing College of Pharmacy.

6. Current Subcommittee Activities:
   a. General Education Requirements Committee (GERC) –
      ▪ UCC accepted GERC Minutes for March 13, 2018 and March 27, 2018 by email vote.
      ▪ GERC met on Tuesday and formally accepted the Fall 2017 assessment submissions and the Objective Review Reports for Objectives 1 and 2. They also discussed website updates and their year-end report and memo to departments.
   b. BAS Committee – meets this Friday to review four degree plans. The BAS program is conducting their academic program review and is currently awaiting a report from their external reviewers.

7. Information from the Chair: none

8. Information from the Faculty Senate and other Councils:
   Faculty Senate has been soliciting faculty members from each college to serve on the Program Health task force which will start meeting in a month or so.
9. Other related information or questions: none

B. INFORMATION ITEMS

1. State Proposals Received by Academic Affairs for review

Proposed programs intended to start during the summer session effectively have to be submitted two
years in advance. All program changes to be included in the Fall 2019 catalog must be submitted and
approved by UCC this Spring (2018).

C. CONSENT CALENDAR

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes): none this week

Curriculum, Course and Program Change Proposals: none this week
D. UNFINISHED BUSINESS

1. **Standardizing Course Semester Offering Designations** (i.e., F, S, Su, D) from Nov. 16, 2017 UCC meeting discussion to consider this spring. Need some way to ensure departments follow their scheduling.

   Hunt’s spreadsheet was displayed for discussion. Codes of R1, R2, R3 and Se are not specific enough to enter into the catalog system and provide enough information for students to plan their schedules. Tension between necessary flexibility for departments to adjust schedules based on faculty availability and workloads versus students’ ability to plan their schedules. Discussion.

   There has to be some way for programs to know when courses will be offered in other departments so they can ensure their Degree MAPs and advice they give their students match when courses are actually offered, particularly in other departments. Registrar’s reports only can accommodate F, S, Su because the other codes do not provide the necessary data to be included. Somehow there needs to be a central place accessible by the university community where deviations from the published course offering schedule can be listed.

   **ACTION:**
   Council voted (with 2 abstentions) to **approve** changing codes R1, R2, R3, and Se to D in the catalog. Hunt will draft a memo to department chairs for UCC to consider next time. (Appendix A)

Curriculum, Course, and Program Change Proposals: none this week

E. NEW BUSINESS

State Proposals and Letters of Notification (LON): none this week

Council voted to endorse all four State Proposals:

1. Council **endorsed** State Proposal 2018-03 to Discontinue B.A. in **French** for Business and Professions (Appendix S-1)

2. Council **endorsed** State Proposal 2018-04 to Discontinue B.A. in **German** for Business and Professions (Appendix S-2)

3. Council **endorsed** State Proposal 2018-05 to Discontinue B.A. in **Spanish** for Business and Professions (Appendix S-3)

4. Council **endorsed** State Proposal 2018-06 to Discontinue B.A. in **Theatre, Film, and Video** (Appendix S-4)

Curriculum, Course, and Program Change Proposals:

1. **Proposal #1** from **History** to remove the Foreign Language requirement from the B.A. in History Council noted the objection raised by Global Studies in the impact response. Departments do have the prerogative of deciding their own program requirements, within accreditation constraints. Discussion ensued, and raised the necessity of redefining the difference between a Bachelor of Arts and a Bachelor of Science degree now that the language requirement is being eliminated. Tabled for further discussion next time.
2. Council approved Proposal #2 from Marketing and Management to change course titles for MKTG 4465 and MKTG 4480 and to update the degree requirements for Marketing and for Management.  
   (Appendix 1)

**Other Business:**

1. What’s coming up for submission to UCC soon?  
   Spring Due Date: Monday, **April 16, 2018** – four days away! Council reviewed the status of proposals in process listed on the Tracking Sheet.

**APPENDICES**

**ACTION APPROVED:**

A. Council voted (with 2 abstentions) to approve changing codes R1, R2, R3, and Se to D in the catalog. Hunt will draft a memo to department chairs for UCC to consider next time.

**STATE PROPOSALS ENDORSED:**

S-1. [State Proposal 2018-03](#) to Discontinue B.A. in French for Business and Professions  (Corresponds to UCC AY2020 Proposal #3)

S-2. [State Proposal 2018-04](#) to Discontinue B.A. in German for Business and Professions  (Corresponds to UCC AY2020 Proposal #3)

S-3. [State Proposal 2018-05](#) to Discontinue B.A. in Spanish for Business and Professions  (Corresponds to UCC AY2020 Proposal #3)

S-4. [State Proposal 2018-06](#) to Discontinue B.A. in Theatre, Film, and Video

**CURRICULUM PROPOSALS APPROVED:**

1. Proposal #2 from Marketing and Management to change course titles for MKTG 4465 and MKTG 4480 and to update the degree requirements for Marketing and for Management.
A. PRELIMINARIES

1a. Attendance:
   Members: Brian Attebery, Susan Belliston, Geoffrey Bennett, Carmen Febles, Lisa Goss, Weldon Hill, Mary Hofle, Bob Houghton (chair), Spencer Jardine, James Lai, Laura McKnight,
   Ex-Officio: JoAnn Hertz, Joanne Tokle, Emily White, Corey Zink
   Admin. Asst: Catherine Read

1b. Excused: Joanne Toevs, Sujata Bhandari; Chris Hunt

1c. Guests: none

2. Minutes – none; Minutes for April 12, 2018 will be forthcoming by email.

3. Announcements –
   • Combined Symphony concert with ISU and Idaho Falls Symphonies tonight and Saturday.
   • Brian Attebery received a grant to be a visiting professor at University of Glasgow during Spring 2019

4. Report from the Executive Committee:
   a. Catalog Cleanup Project update
      A memo will be sent to each department chair and program director along with the data about their courses data for the past 10 years. The memo will encourage departments to contact the UCC Executive Committee to potentially work out a simplified way of deleting unwanted courses from the catalog as part of the clean-up process. Thanks for the Council’s support of this project. Houghton will make sure Student Success Center gets the memo and course data, too.

5. Information from Academic Affairs:
   SBOE has approved ISU’s reorganization of Kasiska Division of Health Sciences; still awaiting approval from North West accreditors (NWCCU). Many thanks from Academic Affairs to this council’s members for all their service. SBOE will likely release the final Gen Ed Common Course list sometime in mid-May. UCC will write the UCC Proposal for the simple changes and coordinate with departments on the more complex changes and the GERC Proposals necessary to implement these catalog changes.

6. Current Subcommittee Activities:
   a. General Education Requirements Committee (GERC) –
      UCC had accepted GERC Minutes for March 13, 2018 and March 27, 2018 by email vote

   b. BAS Committee –

D. UNFINISHED BUSINESS

1. **Standardizing Course Semester Offering Designations (i.e., F, S, Su, D)** – [draft memo text]
   Council reviewed and approved the draft text for a memo to the campus community based on UCC’s approved action from last meeting.

   There will also be a formal recommendation memo sent to Academic Affairs for approval of the proposed semester code changes. Still need some way to ensure departments follow their scheduling.

Curriculum, Course, and Program Change Proposals:

1. Council approved (7 for, 1 against, 2 abstentions) Proposal #1 from History to remove the Foreign Language requirement from the B.A. in History. Was tabled last time for more discussion. The concern raised by Global Studies and Languages is recorded in the proposal for the historical record.

   For future discussion: At issue is the need to redefine the distinction between a Bachelor of Arts and a Bachelor of Science degree, now that the language requirement has been eliminated from many degrees that previously required it for the B.A. degree. Many science disciplines require more math courses for the B.S. degree, so that distinction still holds.

E. NEW BUSINESS

**State Proposals and Letters of Notification (LON):** (for UCC’s endorsement)

1. Council endorsed State Proposal #2018-07 from Economics to discontinue the B.S. in Economics; contingent upon SBOE approval of the new B.B.A. degree in Economics (State Proposal #2016-09) which was approved by UCC a couple of years ago. The current requirements for the B.A. and B.S. degrees in Economics are exactly the same. The B.A. degree was determined to be more advantageous to students so the B.S. degree is being eliminated.

Curriculum, Course, and Program Change Proposals:

1. [Proposal #3](#) from Global Studies and Languages to discontinue the B.A degrees for Business and Professions in French, German, and Spanish. Requires SBOE approval of State Proposals #2018-03, 2018-04, and 2018-05; all three were endorsed by UCC on 4/12/2018. Tabled unanimously to encourage more interdepartmental discussion and collaboration between the interested parties. This presents an opportunity to integrate Languages and Global Studies into a more cohesive and holistic entity.

   The elimination of these three degrees (plus one forthcoming from Theatre) originated from the college, not the department. The Global Studies department faculty were against discontinuing these degrees. These are the only remaining Bachelor degrees in French and German. Very few Business students have enrolled in the programs for several years. This decision arose out of Program Prioritization and the need to eliminate underperforming programs in order to preserve and support more successful or mission critical programs.

   There will be more such situations in the future. Members were concerned about setting a bad precedent, and reiterated the importance of ensuring the procedures adequately provide for university needs as a whole while still allowing for faculty control over the curriculum. Department faculty must have an opportunity to review, weigh in, and vote on all proposals affecting their programs, regardless of the origination and reason for the proposed changes. Objections and concerns should be recorded in the proposal even when overridden.
2. Council unanimously approved Proposal #4 from Economics to discontinue the B.S. degree in Economics and fix the credit count, and to add MGT 2216 as an optional statistics prerequisite to ECON 4485. Contingent upon approval of the new B.B.A. degree in Economics. Requires SBOE approval of State Proposals #2018-07 and #2016-09.

Other Business:

1. Proposed Bylaws Amendments
   Proposed changes clarify membership representation, eligibility requirements, powers and duties of Executive Committee, and update the approval chain.
   Council moved and voted the proposed changes remain consistent with today’s discussion until the bylaws are officially approved by email next week.

F. ADJOURNMENT: 4:03 p.m. Let the party commence!!

APPENDICES

ACTION APPROVED:

A. Draft Text for Memo to Department Heads from UCC re: Course Offering Codes (i.e., F, S, Su, D)

UCC is requesting that departments review the information published in the catalog regarding the semester in which courses are typically offered. This information is important for students and affects their ability to plan their schedules. In order to simplify and clarify the information provided to students, UCC will be limiting the codes listed in the catalog to the following:

F = Fall Semester, every year
S = Spring Semester, every year
Su = Summer Semester, every year
EF, ES, ESu = Even-numbered years, Fall, Spring, or Summer Semester
OF, OS, OSu = Odd-numbered years, Fall, Spring, or Summer Semester
D = Students should contact the Department to ask when this course will be offered.

UCC will provide a spreadsheet listing every undergraduate course and the current semester coding. Please review coding for your departments courses, and if changes are required please change the coding and the spreadsheet and return it to Chris Hunt in the Registrar’s Office. Changes will be reviewed by UCC and updated in the 2019-20 catalog without requiring a proposal.

STATE PROPOSALS ENDORSED:

S-1. State Proposal #2018-07 from Economics to discontinue the B.S. in Economics; contingent upon SBOE approval of the new B.B.A. degree in Economics (State Proposal #2016-09) which was approved by UCC a couple of years ago.

3. Announcements
   a. Council Chair Vacancy
      Bob Houghton was appointed this summer to be Interim Associate Dean of the College of
      Business. As such, he had to resign from UCC both as Chair and as a faculty representative.
      The College of Business is working on selecting a replacement faculty rep. This Council will
      need to elect a new Chair during its first couple of meetings this semester.

4. Report from the Executive Committee:
   a. Catalog Cleanup Project update
      UCC’s memo approved last spring will be sent to all department heads this week or early
      next week via campus mail, along with the individual department’s course data from the
      Registrar’s office. The memo encourages departments to review their listed course offerings
      and make necessary adjustments to ensure the catalog is current. This may entail submitting
      catalog change proposals to UCC and/or Graduate Catalog.

   b. Catalog Change Memo forthcoming
      The College of Business has decided to discontinue the B.A. in Economics rather than the
      B.S. in Economics. This change affects both State Proposal #2018-07 and UCC AY2020
      Proposal #4 which were already endorsed and approved by UCC last spring.

5. Information from Academic Affairs: -- Joanne Tokle
   • Gen Ed GEM Common Course list was approved by the SBOE’s IRSA subcommittee in July with a
     few minor changes. The second reading will happen at the October SBOE meeting.
   • ISU offers two ANTH 2000-level courses that will need to be renumbered and GERC
     proposal/assessment plans submitted. A UCC proposal will also need to be submitted.
   • SBOE also is discussing adding B.A.S. degree definition to SBOE policy III.E.1.e. This will affect
     the Robotics proposal in the works.
   • SBOE decreed a score of 3.0 will be sufficient to award credit for AP exam credit. This will affect
     CS1181, ECON 2201, ECON 2202 and PHYS 1111.
   • SBOE is giving $25,000 to each state institution to use for Open Education Resources (OER) in the
     Common Courses. Representatives from each institution attended a training workshop this summer.
     ISU is forming a new OER committee to work on implementing this mandate; the committee will
     convene on Sept. 12. This will also be a major topic of discussion at the upcoming Statewide Gen Ed
     Summit on September 20-21 in Boise.
• Watermark AMS assessment software will be a pilot program for selected GERC annual reports. Everyone else can continue to use the Qualtrics reporting system.
• Tokle will begin her training on the Aqua portion of this software package in October. Soliciting volunteers to provide rubrics that can be put into place for a pilot implementation this year.

Curriculum, Course, and Program Change Proposals: REMAINS TABLED

1. Proposal #3 from Global Studies to discontinue the B.A degrees for Business and Professions in French, German, and Spanish. Requires SBOE approval of State Proposals #2018-03, 2018-04, and 2018-05; all three were endorsed by UCC on 4/12/2018. Proposal was tabled 4/26/2018 to encourage more interdepartmental discussion and collaboration between the interested parties on integrating Languages and Global Studies into a more cohesive and holistic entity.

Academic Policy Revisions:

1. There is a potential need to redefine the distinction between a Bachelor of Arts and a Bachelor of Science degree, now that the language requirement has been eliminated from many degrees that previously required it for the B.A. degree. For example, the B.A. and B.S. in Economics have the exact same degree requirements; one is being eliminated for other reasons, but there is no credit or course difference between the two other than the degree awarded. Many science disciplines require more math courses for the B.S. degree, so that distinction still holds for those disciplines.
   Council deferred further discussion until after their portion of the catalog cycle ends in mid-November.

E. NEW BUSINESS
Officer Call for Nominations/Election:

1. Elect a new Council Chair to replace Bob Houghton who had to resign from UCC this summer. He has been appointed Interim Associate Dean of the College of Business and therefore is ineligible to serve on UCC.

   Eligible members: Susan Belliston (current Vice Chair), Geoffrey Bennett, Weldon Hill, Carmen Febles, Joanne Toevs

   Susan Belliston was nominated to serve as Chair, she accepted the nomination.
   Geoffrey Bennett volunteered to serve as Vice Chair if Susan is elected Chair.

   Vote: unanimous approval of Susan Belliston as the new Chair.
   Vote: unanimous approval of Geoffrey Bennett as the new Vice Chair.

   Carmen Febles, the council’s Secretary, volunteered to learn Robert’s Rules of Order.

A. Catalog Change Memo: Discontinue BA instead of BS in Economics

To: Undergraduate Curriculum Council Executive Committee

From: Chris Hunt, Associate Registrar

cc: Bob Houghton, Interim Associate Dean, College of Business

Date: August 23, 2018

RE: Change to UCC approved Proposal 4 for 2019-20 Undergraduate Catalog

In Proposal 4, College of Business proposed to discontinue the BS in Economics and remove it from the 2019-20 catalog. UCC has approved this proposal. The College of Business has indicated that they wish to alter the proposal to discontinue the BA in Economics, and not the BS in Economics.

As there is currently no difference between the curricula of the two degrees, I recommend that this change be added to UCC’s consent agenda at the next possible meeting.

This change affects both State Proposal #2018-07 and UCC AY2020 Proposal #4 which were already endorsed and approved by UCC last spring.

4. Report from the Executive Committee:
   The Executive Committee met yesterday and agreed to the following:
   - Include the Catalog Change Memo regarding Music Gen Ed courses on today’s Consent Calendar.
   - Include a current list of State Proposals and Letters of Notification as a standing Information Item on UCC’s agendas and Minutes. The list will serve as a written record of the Proposals and Letters, and as an ongoing status report for associate deans, upper administration, and the campus community as those proposals move through the approval chain.
   - A catalog proposal is needed to create a new Gen Ed course BIOL 2227 in accordance with SBOE’s mandated Common Course List. The Registrar’s Office will work with the Biology department to figure out the effect of this would have on other programs, courses, pre-reqs, etc. and include the necessary catalog changes in time for publication in the 2019-20 catalog. A corresponding GERC Proposal/Assessment Plan will also be required.
   - Discussion of the GEM Common Course Gen Ed proposal. Ramifications of the SBOE’s mandate are still being figured out.
   Belliston answered a member’s question regarding the purpose of the Executive Committee.

5. Information from Academic Affairs:
   Statewide Gen Ed Summit is next week, on Thursday and Friday in Boise.

6. Current Subcommittee Activities:
   a. General Education Requirements Committee (GERC) – GERC met on Tuesday and approved MUSI 1105 Survey of Rock Music as an Objective 4 Gen Ed course. Discussed upcoming due dates for proposals and assessment reports, questions and concerns for next week’s Gen Ed Summit in Boise, and the next steps for coordinating implementation of SBOE’s mandated Common Course List. Skidmore reported the GERC committee is ready to sign off on the GEM Common Course proposal once all impacts are received.

   b. BAS Committee – has not met yet this semester.

7. Information from the Chair: -- none
8. Information from the Faculty Senate and other Councils:
   Faculty Senate has sent out a draft Faculty Constitution for faculty review and input. It is essentially
   the version created and approved by the Provisional Faculty Senate in 2011. The current Senate is
   working with the new University President, who has indicated his support of this Constitution.
   Faculty are encouraged to submit their honest feedback, suggestions, and comments regarding this
   document. There will be an Open Forum to discuss the Constitution this coming Monday,
   September 17, at 4:00 p.m. in REND Suites A,B, and C

   Graduate Council has received and is reviewing several State Proposals and their corresponding
   Graduate catalog proposals. They have to assign priority to the appeals on their agenda, but should be
   able to meet the October 5 deadline for submitting items to the SBOE to ensure external approvals are
   completed in time for inclusion in the 2019-20 catalog.

9. Other related information or questions:
   In the case of competing versions of proposals, POs and UCC reps are expected to determine which
   one is most current and up-to-date, and that ALL relevant information (including comments) is
   included in the proposal submitted to UCC. Once UCC’s administrative assistant receives a proposal
   for processing, all other versions will be permanently deleted WITHOUT checking for any
   discrepancies in content or comments between versions.

B. INFORMATION ITEMS

   Policy Items for Future Discussion
   With the increasing trend toward creating online programs, there is a need to establish some sort of
   protocol for preventing disruptions to such programs when another department decides to discontinue
   offering a particular course(s) online, whether temporarily or permanently. What ways are available
   or could be developed to prevent internal departmental decisions from having adverse ramifications
   on other programs that rely on their courses being available online?

C. CONSENT CALENDAR - Council unanimously approved all items on the Consent Calendar

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):

1. Council unanimously approved, as part of the Consent Calendar, the Catalog Change Memo: to change Subject Codes of MUSC gen ed courses to MUSI (Appendix A)
   For all Music Gen Ed courses change the subject code from MUSC to MUSI to match the SBOE-mandated subject code for Common Course MUSI 1101. This change will make it easier for students to find Music gen ed courses in the catalog and prevent isolating the single Common Course from the rest of the Music course offerings.

**A. Catalog Change Memo: Change Subject Code from MUSC to MUSI for all Music Gen Ed courses**

To: Undergraduate Curriculum Council Executive Committee

From: Chris Hunt, Associate Registrar

cc: Thom Hasenpflug, Carmen Febles

Date: September 10, 2018

RE: Changing subject codes of MUSC general education courses in 2019-20 Undergraduate Catalog

To assist students in finding Music department general education courses in the class schedule after the required subject code change for MUSC 1100 to MUSI 1100, the following subject code changes should also be made:

MUSC 1106 - American Music should change to MUSI 1106  
MUSC 1108 - The World of Music should change to MUSI 1108  
MUSC 1109 – Survey of Jazz should change to MUSI 1109

The B. Music, the B.A./B.S. in Music and the Minor in Music all require 2 credits of music electives with the following stipulation:

Music electives must be chosen from Music courses, not from Applied Music or Music Ensembles (Performing Organizations).

This text should change to:

Music electives must be chosen from Music courses and Music General Education courses, not from Applied Music or Music Ensembles (Performing Organizations).
STATE PROPOSALS ENDORSED:  -- none this week

CURRICULUM PROPOSALS APPROVED:

1. Proposal #3 from Global Studies to discontinue the B.A degrees for Business and Professions in French, German, and Spanish. Requires SBOE approval of State Proposals #2018-03, #2018-04, and #2018-05; all three were endorsed by UCC on 4/12/2018. Proposal was tabled 4/26/2018 to encourage more interdepartmental discussion and collaboration between the interested parties on integrating Languages and Global Studies into a more cohesive and holistic entity. Department faculty discussed this issue in September and ultimately decided not to contest eliminating these Language degrees.

2. Proposal #7 from Music to create a new Gen Ed course MUSI 1105 Survey of Rock Music. GERC has approved this new course as an Objective 4 Gen Ed course.

2. Council approved its Minutes for September 13, 2018

3. Announcements –
   Hunt listed the proposals for which he is working on impact responses and that the Executive Committee agreed would be considered as having been received by the September 20 due date.

4. Report from the Executive Committee –
   Met yesterday. Discussed some of the proposals in process and agreed with Hunt which ones to consider has having been received by the due date. Important points for Council to keep in mind as they review proposals:
   - Equivalent courses must be mutually acceptable to both departments, and that agreement should be recorded in the impact statements embedded in the proposal.
   - Watch for duplication of existing courses – is that duplication really necessary or is it being used as a way of padding programs and enrollment?
   - Proposal from Teacher Education Studies (TES) is huge and complicated, so have departments and other reviewers be extra diligent when determining the impacts of the proposed changes on their programs. Carefully proofread and check for accuracy and consistency within itself and the rest of the catalog to make sure no contradictions exist or will be introduced upon publication. Once this proposal is completed and submitted, Read and Hunt will work together to split the proposal into smaller, more manageable sub-proposals for the council and administrative approvers to work with. The original proposal will be kept intact as a master reference file.

5. Information from Academic Affairs: none this week

6. Current Subcommittee Activities:
   a. General Education Requirements Committee (GERC) – meets again this Tuesday
   b. BAS Committee – has not met

7. Information from the Chair: none

8. Information from the Faculty Senate and other Councils:
   Faculty Senate: reminder to faculty to submit their honest feedback, suggestions, and comments regarding the draft Faculty Constitution.
Graduate Council approved several State Proposals and the corresponding Graduate catalog proposals. Still need to review the M.S. in Spanish proposal. They meet again next Wednesday on September 26.

9. Other related information or questions: none

B. INFORMATION ITEMS

Policy Items for Future Discussion
For this Fall: UCC will need to define what constitutes upper division CTE (Career Technical Education) credits. SBOE is creating a definition for a new category for an Applied Baccalaureate Degree as distinct from a Baccalaureate Degree, but it won’t be finalized until December. More information will be forthcoming later in the semester regarding UCC’s role and what needs to be done to implement this change.

State Proposals in the Approval Chain:
- BBA in Economics – full proposal – President approved, sent to SBOE for 30-day Review
- Discontinue BA in Economics – full proposal – President approved, sent to SBOE for 30-day Review
- MS in Computer Science (Grad Catalog) – full proposal – Grad Council approved, sent to Deans’ Council
- MS in Nutrition (Dietetics) (Grad Catalog) – full proposal Grad Council approved, sent to Deans’ Council
- MA in Spanish (Grad Catalog) – full proposal – awaiting Grad Council approval

   1c. Guests: Matt Wilson (GERC rep); John Fitzpatrick and Michael Meyers (Sport Science & Physical Education)

2. Proposal from Sport Science & Physical Education for Program of Study changes and course additions. Guests John Fitzpatrick and Mike Meyers spoke to council members regarding the concerns raised by Dietetics and spelled out the reasons for creating a new nutrition course geared toward their program. Mainly to meet accreditation standards and ensure the course is offered when their students need it. The similar Dietetics course is not offered regularly.

4. Announcements –
   • Concert bands perform next Friday at the ISU Performing Arts Center.
   • E-catalog entries are starting to go out to UCC reps and Proposal Originators to proofread and check for accuracy. Contact Emily White if you have any questions.

5. Report from the Executive Committee:
   Met yesterday. Discussed lack of faculty vote on the Mindfulness proposal and decided in this particular case it was okay because of the minor nature of the changes, the fact that Mindfulness is interdisciplinary and not associated with any specific department, and that the KDHS Executive Committee had reviewed and approved the proposal.

6. Information from Academic Affairs:
   Statewide Gen Ed Summit was held last week in Boise. Discussed Open Educational Resources and awarding gen ed credit for satisfactory scores on CLEP exams. ISU has formed a committee to look into how to spend available monies on Open Educational Resources.

   Provost would like UCC’s feedback regarding membership representation for the three new Health Science colleges:

7. Current Subcommittee Activities:
   a. General Education Requirements Committee (GERC) – Council accepted GERC’s Minutes for September 11, 2018
   b. BAS Committee – their first meeting will be in mid-October; nothing to report yet.

8. Information from the Chair: none

3. Announcements – band concert tomorrow night at Performing Arts Center at 7:30 p.m.

4. Report from the Executive Committee:
   Met yesterday, agreed upon Consent Calendar items for this week and next week’s meetings. Since both Belliston and Read will be gone next week, October 11 will be a ‘virtual’ meeting conducted via email to approve Minutes and Consent Calendar items. Members should use the extra time to carefully peruse the more complicated and/or interconnected proposals for consistency, accuracy, and potential problems that could arise that have not been noticed. Please use the Commenting feature on Google Docs freely to facilitate discussion. UCC will meet as usual on October 18.

5. Information from Academic Affairs: no report

6. Current Subcommittee Activities:

8. Information from the Faculty Senate and other Councils:

   Faculty Senate:
   Erin Selleneit is the administrative assistant hired to staff the Faculty Senate office suite and handle administrative tasks for Faculty Senate, Academic Standards Committee and the Native American Student Services. She also is well versed in Career Technical Education, and could be a valuable resource for this council.

   Carmen Febles is working with Laura Ahola-Young, one of the Senate co-chairs, on implementing the new Faculty Constitution and council reporting structure.

9. Other related information or questions:
   To prevent unintentional misinformation, Academic Affairs asked that UCC’s Minutes no longer reference graduate-level state proposals or Graduate Council information.

1a. Attendance:
   Members: Carmen Febles, Deidre Caputo-Levine, Steven Byers, Joanne Toevs, Lisa Goss, Tracy Payne, Geoffrey Bennett, Weldon Hill, Susan Belliston (Chair)
   LaVona Andrew, Barb Mason
1b. Excused:
   Ex-Officio: JoAnn Hertz, Chris Hunt, Joanne Tokle, Emily White, Corey Zink
   Admin. Asst: Catherine Read
1c. Absent: Cathy Gray
1d. Guests: none

2. Minutes for September 27, 2018 and October 4, 2018 – deferred until later

3. Announcements -- none

4. Report from the Executive Committee:
   Executive Committee agreed during their Oct 3 meeting upon Consent Calendar items for this week. Since both Belliston and Read are gone this week, October 11 will be a ‘virtual’ meeting conducted via email to approve Minutes and Consent Calendar items. Members should use the extra time to carefully peruse the more complicated and/or interconnected proposals for consistency, accuracy, and potential problems that could arise that have not been noticed. Please use the Commenting feature on Google Docs freely to facilitate discussion. UCC will meet as usual on October 18.

   Discontinue Non-Traditional PharmD program – needs full discontinuance proposal
     UCC Proposal #27 approved by UCC;
     State Proposal needs signatures, awaiting UCC’s endorsement and Deans’ Council approval
   New Certificate in Diagnostic Medical Sonography – full proposal needed - PRIORITY
initial draft of State Proposal reviewed by Academic Affairs, remanded for revision. **UCC catalog Proposal # 22** was approved 10/4/2018 – **This one needs to be included in 2019-20 catalog!**

**State Proposals and Letters of Notification known to be in the Works:**

BAS in Robotics Engineering Technology (BAS) - full Proposal received
   COT is submitted this proposal, needs review and processing; SBOE has new BAS definition in the works that may affect this, hopefully will resolve CTE funding issues
   Discontinue two minors: Human Resource Development, & Organizational Leadership – needs LONs
      Letter of Notification Requests received by Academic Affairs, UCC catalog proposal in process
Two 15-Credit Certificates: Career & Technical Education, Training & Development – need LONs
   Letter of Notification Requests received by Academic Affairs, UCC catalog proposal in process
   New Minor in Film Studies -- needs LON
      awaiting LON Request submission to Academic Affairs; UCC catalog proposal in process

**C. CONSENT CALENDAR** – approved in its entirety:

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes): none this week

State Proposals for Review): -- Council voted electronically to **endorse** the following:

1. **#2018-09 Discontinue Non-Traditional Doctor of Pharmacy (NTPD) program** – **RUSH!**
   (Appendix S-1)
   Corresponds to **UCC Proposal #27** which was approved by UCC on 10/04/2018

2. **#2018-10 new 46-credit Certificate in Diagnostic Medical Sonography** -- (Appendix S-2)
   Corresponds to **UCC Proposal #22** which was approved by UCC on 10/04/2018

Curriculum, Course and Program Change Proposals:

Council voted electronically to **approve** the following proposals:

Curriculum, Course, and Program Change Proposals:

1. Proposal #13 from Anthropology for housekeeping changes and to convert ANTH 2230 to ANTH 1101/1101L Biological Anthropology as an Objective 5 Gen Ed course and ANTH 2250 to ANTH 1102 Cultural Anthropology as an Objective 6 Gen Ed course. These changes are required to comply with the SBOE’s Common Course Numbering mandate. **Requires GERC’s approval of the Gen Ed Course Proposal/Assessment Plan for each new Gen Ed course.**

2. Proposal #29 from Automotive Technology to change the Intermediate Technical Certificate to an Advanced Technical Certificate, create new course AUTM 0111 and delete AUTM 0104, update curriculum in accordance with recommendations from the program’s technical advisory body.

3. Proposal #30 from ESTEC Unmanned Aerial Systems to replace UAS 0382 with UAS 0282 as more appropriate to the course content level, and update course pre-requisites to be consistent with changes to Robotics program. **Contingent upon approval of course changes in Proposal #45 for the Robotics BAS degree.**

4. Proposal #32 from ESTEC Industrial Controls to update courses and curriculum for the AAS in Industrial Controls in order to provide concentration options in Instrumentation and Process Control and in Motor Control and Protective Relaying.

5. Proposal #33 from Surveying and Geomatics Engineering Technology to restore GEMT 3315 and delete GEMT 3341 and 3342 and substitute GEOL 4427 for HIST 4490 to eliminate scheduling conflicts, and to update curriculum requirements for the BS degree.

6. Proposal #36 from Practical Nursing to decrease required credits from 54-58 to 36 credits, delete ADRN 1104 Nursing Application, and change from an Advanced Technical Certificate to an Intermediate Technical Certificate in accordance with a ruling from the program’s accrediting body to streamline the program. This is the first of a two-part curricular change that will extend into next year’s catalog cycle. **Requires SBOE approval of Letter of Notification #2018-LON-xx.**

7. Proposal #37 from Massage Therapy to update course and curriculum requirements, create new course MSTH 0242 Sports Massage.

8. Proposal #40 from Communication Sciences & Disorders to create new CSD 3374, delete CSD 3320, adjust Sign Language courses and curriculum to meet accreditation standards.

9. Proposal #41 from Communication Sciences & Disorders to eliminate pre-reqs and change semester offerings for CSD 4445 and to update curriculum for Pre-Audiology and Pre-Speech Language Pathology emphases.

11. Proposal #43 from Healthcare Administration to update curriculum requirements for BS degree.

Be sure to look over the Proposal Request Tracking Sheet and check in with your constituent POs between now and next meeting.

State Proposals for Review:

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes): none this week

1. Change Memo: BBA in Economics to adjust upper division elective credit requirements:

The BBA in Economics was approved by the UCC for the 2016-17 catalog, but approval from the SBOE was only recently received for the 2019-20 catalog. The ECON department has recently reviewed the curriculum as approved and would like to make the following change:

- 6 additional credit hours of upper-division ECON electives
- 6 credit hours of additional upper-division ISU College of Business courses

This change has no impact on any other department or curriculum.

2. Change Memo: BS in Health Sciences to correct credit error

The Division of Health Sciences would like to make the following correction to the Core Requirements of the BS in Health Sciences.

Communication (2-3 credits)

Select ONE

- ANTH 4409 Clinical Medical Anthropology 3
- CMP 3308 Groups and Communication 3
- CMP 4422 Conflict Management 3
- COUN 3300 Interpersonal Skills in Health Professions 2
- ENGL 3307 Professional and Technical Writing 3
- HE 4410 Health Behavior Change Theory and Application 3
- HE 4425 Patient Education Skills 2

Students are required to take one of the courses on the list, which may result in 2 or 3 credits.

There is no impact on any students or department other than BS in Health Sciences.

Curriculum, Course, and Program Change Proposals:

1. Proposal #48 from Nursing to update pre-requisites and semester offerings for Nursing courses.

2. Proposal #49 from Geosciences to update courses and to modernize and simplify curriculum. Changes affect Sport Science Proposal #42, History Proposal #50, TES Proposal #54.

3. Proposal #50 from History to create new HIST 1101 & 1102 World History I & II, change European History course numbers to HIST 1105 & 1106, delete obsolete courses, update other courses and curriculum. Changes affect Geosciences Proposal #49, GEM Gen Ed Proposal #xx, TES Proposal #55.
4. **Proposal #51** from **Electrical Engineering** to create new courses EE 2240L, 2245 and 3301, delete EE 4413 and 4496B, and to update courses and curriculum in accordance with assessment and evaluation findings and input from industry experts, students, alumni and faculty. Changes affect **Proposal #52**.

5. **Proposal #52** from **Mechanical Engineering** to create new permanent courses ME 4424, 4435, and 4495 which had been taught as experimental courses; substitute new course EE 2245 for EE 2240 as a required course for the B.S. degree, and other minor course and curriculum updates. Changes affect **Graduate Catalog**. **Contingent** upon approval of new course EE 2245 in **Proposal #51**.

A. PRELIMINARIES
1a. Attendance:
   Members: Carmen Febles, Steven Byers, Joanne Toeys, Lisa Goss, Tracy Payne, Geoffrey Bennett, Weldon Hill, Susan Belliston (Chair)
   Telecom: Cathy Gray (I.F.), Barb Mason (Meridian) and LaVona Andrew (via telephone)
   Ex-Officio: Chris Hunt, JoAnn Hertz, Joanne Tokle, Emily White, Corey Zink
   Admin. Asst: Catherine Read
1b. Excused: Susan Belliston, Deidre Caputo-Levine
1c. Guests: none

2. Minutes for September 27, 2018, October 4, 2018, October 11, 2018, virtual meeting, October 18, 2018, October 25, 2018 – will vote via email.

3. Announcements -- none

4. Report from the Executive Committee:
   Met on Tuesday and discussed plans for the next 3 meetings. This week UCC will consider all the sub-proposals from Education along with the proposals listed in Unfinished Business. Next week’s Nov. 8 meeting will focus on the new BIOL 2227/L and 2228/L Anatomy & Physiology gen ed courses, with all interested parties invited to participate in the discussion. Several proposals were slated for the Consent Calendar. The Nov. 15 meeting will include the GEM Gen Ed proposal and finishing up remaining proposals before the Nov. 16 catalog cutoff date and Thanksgiving Break. There may be one more critical proposal to clean up the Health Sciences curriculum coming that should be included in the 2019-20 catalog if at all possible; Chris Hunt will help shepherd that proposal through the process if it materializes.

5. Information from Academic Affairs: -- nothing to report

6. Current Subcommittee Activities:
   a. General Education Requirements Committee (GERC) – meets again this coming Tuesday.
      i. Council accepted GERC’s Minutes for September 25, 2018 and October 9, 2018
   b. Council accepted BAS Committee’s Minutes for April 27, 2018

7. Information from the Chair: none

8. Information from the Faculty Senate and other Councils:
   Faculty Senate: President Satterlee has approved the Faculty Constitution and will forward it to SBOE for their approval at their December meeting.

9. Other related information or questions: none

B. INFORMATION ITEMS

State Proposals in the Approval Chain:
   BBA in Economics – full proposal –President approved, sent to SBOE for 30-day Review, ends 10/29
Discontinue BA in Economics – full proposal – President approved, sent to SBOE for 30-day Review ended 10/19, CAAP to review 11/15.
Discontinue BA in Theatre, Film & Video – full proposal – sent to SBOE for 30-day Review, ends 11/5
Discontinue BA in Spanish, German and French for Business and Professions full proposals – sent to SBOE for 30-day Review, ends 11/5
Certificates in Biomedical Ethics – Letter of Notification – UCC and Grad Council approved, Provost signed, Letter of Notification sent to SBOE
Discontinue Non-Traditional PharmD program – full discontinuance proposal
  President approved, sent to SBOE for 30-day Review, ends 11/29
New 46-credit Certificate in Radiographic Science Sonography – full proposal
  approved by Deans’ Council 10/23, awaiting President’s approval
Certificates in Medical Anthropology – Letter of Notification drafted, awaiting GC proposal approval
BAS in Robotics Engineering Technology (BAS) - full Proposal
  Deans’ Council approved it 10/31, awaiting President’s approval

State Proposals and Letters of Notification known to be in the Works:
Discontinue two minors: Human Resource Development, & Organizational Leadership – needs LONs
  Letter of Notification Requests received by Academic Affairs, UCC catalog proposal approved
Two 15-Credit Certificates: Career & Technical Education, Training & Development – need LONs
  Letter of Notification Requests received by Academic Affairs, UCC catalog proposal approved
New Minor in Film Studies -- needs LON
  LON Request received by Academic Affairs 10/24; UCC catalog proposal in process

Problematic Proposals:
1. The massive 109-page TES Master Proposal has been split into 8 smaller, more manageable chunks for UCC’s consideration. Interconnected proposals all processed for consideration together:
   [History, Geosciences, all TES] – Nov 1
   [Electrical Engineering, Mechanical Engineering] – Nov 1
   BIOL Anatomy & Physiology – Nov 8 – discussion, vote if concerns resolved
   Early Childhood blended revisions – Nov 8
   MATH 11xxP – in process, probably Nov 15
   GEM (Gen Ed) – Nov 15
   new MGT Entrepreneurship Gen Ed course may be forthcoming, needs GERC approval
   new, complicated Health Sciences proposal may be forthcoming
2. new CSD proposal to change CSD 3321L to CSD 3325L relates to Proposals #40 and #41

C. CONSENT CALENDAR – Council approved in its entirety

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):
1. Council approved, as part of the Consent Calendar, the Change Memo: BBA in Economics (Appendix A) to adjust upper division elective credit requirements:
   The BBA in Economics was approved by the UCC for the 2016-17 catalog, but approval from the SBOE was only recently received for the 2019-20 catalog. The ECON department has recently reviewed the curriculum as approved and would like to make the following change:

   6 additional credit hours of upper-division ECON electives 6
   6 credit hours of additional upper-division ISU College of Business courses 6

   This change has no impact on any other department or curriculum.
2. Council approved, as part of the Consent Calendar, the Change Memo: BS in Health Sciences (Appendix B) to correct credit error:

The Division of Health Sciences would like to make the following correction to the Core Requirements of the BS in Health Sciences.

Communication (2-3 credits)

E. UNFINISHED BUSINESS

State Proposals for Review: none this week

Curriculum, Course, and Program Change Proposals:

1. Proposal #36 from Practical Nursing to decrease required credits from 54-58 to 36 credits, delete ADRN 1104 Nursing Application, and change from an Advanced Technical Certificate to an Intermediate Technical Certificate in accordance with a ruling from the program’s accrediting body to streamline the program. This is the first of a two-part curricular change that will extend into next year’s catalog cycle. Requires SBOE approval of 2018-LON-xx. Was tabled last time to add all pre-reqs to curriculum listing. Remains tabled until after next week’s discussion of the proposed new BIOL 2227/L & 2228/L courses.

2. Council approved Proposal #41 as amended from Communication Sciences & Disorders (Appendix 1) to eliminate pre-reqs and change semester offerings for CSD 4445 and to update curriculum for Pre-Audiology and Pre-Speech Language Pathology emphases. Was tabled last time pending resolution of comments and suggestions, which have now been resolved.
3. Council approved Proposal #49 as amended from Geosciences (Appendix 3) to update courses and to modernize and simplify curriculum. Changes affect Sport Science Proposal #42, History Proposal #50, TES Proposal #54, GEM Gen Ed Proposal #76.

4. Council approved Proposal #50 as amended from History (Appendix 4) to create new HIST 1101 & 1102 World History I & II, change European History course numbers to HIST 1105 & 1106, delete obsolete courses, and update other courses and curriculum. Changes affect Geosciences Proposal #49, GEM Gen Ed Proposal #76, TES Proposal #55.

5. Council approved Proposal #51 from Electrical Engineering (Appendix 5) to create new courses EE 2240L, 2245, and 3301, delete EE 4413 and 4496B, and to update courses and curriculum in accordance with assessment and evaluation findings and input from industry experts, students, alumni and faculty. Changes affect ME Proposal #52.

6. Council approved Proposal #52 from Mechanical Engineering (Appendix 6) to create new permanent courses ME 4424, 4435, and 4495 which had been taught as experimental courses; substitute new course EE 2245 for EE 2240 as a required course for the B.S. degree, and other minor course and curriculum updates. Changes affect Graduate Catalog. Contingent upon approval of new course EE 2245 in Proposal #51.

7. Council approved Proposal #53 from Teacher Education Studies: Course Changes Only (Appendix 7) for course changes, additions and deletions to clean up the catalog, reduce credits, and align with state certification requirements.

   This is the first of eight sub-proposals created from the original comprehensive proposal and includes only course changes.

8. Council approved Proposal #54 as amended from Teacher Education Studies: GEOL (Appendix 8) to clean up the catalog, reduce credits, and align curriculum with state certification requirements.

   This is the second of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Geosciences, Geology, and Earth Sciences portions of the TES curriculum in the catalog. Contingent upon approval of GEOL Proposal #49 and TES Proposal #53.

9. Council approved Proposal #55 as amended from Teacher Education Studies: HIST & POLS (Appendix 9) to clean up the catalog, reduce credits, and align curriculum with state certification requirements.

   This is the third of eight sub-proposals created from the original comprehensive proposal and includes only changes to the History, American Government, Social Studies, and Earth Sciences portions of the TES curriculum in the catalog. Contingent upon approval of GEOL Proposal #50 and TES Proposal #53.

10. Proposal #56 from Teacher Education Studies: CHEM to clean up the catalog, reduce credits, and align curriculum with state certification requirements.

    This is the fourth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Chemistry portions of the TES curriculum in the catalog. Contingent upon approval of TES Proposal #53.

    Tabled pending resolution of Chemistry’s concerns.

11. Proposal #57 from Teacher Education Studies: BIOL, MATH & PHYS to clean up the catalog, reduce credits, and align curriculum with state certification requirements.

    This is the fifth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Biological Sciences, Mathematics, and Physics portions of the TES curriculum in the catalog. Contingent upon approval of TES Proposal #53.

    Tabled to confirm whether to include another MATH course and/or add PHYS 1153 Descriptive Astronomy Lab course in the curriculum.
12. Proposal #58 from Teacher Education Studies: ENGL & LANG to clean up the catalog, reduce credits, and align curriculum with state certification requirements.
   This is the sixth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the English, English as a Second Language, and Foreign Languages (French, German, Russian, and Spanish) portions of the TES curriculum in the catalog.
   *Contingent upon approval of TES Proposal #53 courses.*
   Tabled pending the inclusion of all LANG 1101 & 1102 as required credits in their respective places in the curriculum.

13. Council approved Proposal #59 from Teacher Education Studies: Secondary Ed, ART, CMP, THEA, ECON, HE, BED, FSC, SSPE (Appendix 10) to clean up the catalog, reduce credits, and align curriculum with state certification requirements.
   This is the seventh of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Secondary Education, Business Education, Communication, Drama, Economics, Health Education, Journalism, Music Education, Art, Business Technology, Family and Consumer Sciences, and Physical Education portions of the TES curriculum in the catalog.
   *Contingent upon approval of TES Proposal #53 courses.*

14. Proposal #60 from Teacher Education Studies: Overview, Admission, Elementary Ed, and Special Ed to clean up the catalog, reduce credits, and align curriculum with state certification requirements.
   This is the eighth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Overview, Admission to Teacher Education, Elementary Education, and Special Education portions of the TES curriculum in the catalog. *Contingent upon approval of TES Proposal #53 courses.*
   Tabled to confirm whether to include PHYS 1153 Descriptive Astronomy Lab course in the curriculum.

F. NEW BUSINESS

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):

*Change Memo: BA General Studies credit adjustment for Proposal #39*

There has been a request to adjust the credits in the BA in General Studies as shown in Proposal 39.

This degree requires completion of the following program:

- General Education Objectives: 36
- Upper division credits in the fine arts and humanities and/or social and behavioral sciences in the College of Arts and Letters: 24 21
- Additional upper division credits from programs in the College of Arts and Letters, College of Business, College of Education, College of Science and Engineering, or Kasiska Division of Health Sciences *: 12 15
- Electives from across the university: 48
- Total Credits: 120

I recommend that this adjustment be made to the 2019-20 catalog.

State Proposals for Review: none this week

Curriculum, Course, and Program Change Proposals:

1. Proposal #61 from Biology to create new BIOL 2227 / 2227L and BIOL 2228 / 2228L Anatomy & Physiology as Objective 5 Gen Ed courses in accordance with SBOE’s Common Course mandate.
2. Proposal #62 from Global Studies & Languages to create new SPAN 4461 as second semester Interpretation and Translation course and change course title for GLBL 3335 to Global Governance: Superpowers and Globalization.

3. Proposal #63 from Emergency Management to remove EMGT 1101 from A.S. degree requirements, reduce from 9 to 8 courses to allow for completion in 2 semesters, and minor pre-req and housekeeping changes.

4. Proposal #64 from Fire Services Administration to create new FSA 2250 as required course for the BS degree and to specify 60 credits of an AAS degree may be transferred toward the BS degree.

5. Proposal #65 from College of Business to remove BA 4410 from BBA requirements and to add MGT 2216 as a pre-req for INFO 3301.

6. Proposal #66 from Finance & Economics to delete ECON 4493, renumber ECON 3303 to 4440 and crosslist it with HCA 4440/5540, reduce credits required for the BA and minor in Economics.

7. Proposal #67 from English & Philosophy to create a new interdisciplinary minor in Film Studies to be housed in English department in partnership with the department of Communication, Media, and Persuasion.

8. Proposal #68 from Teacher Education Studies to remove EDUC 2215 from the requirements for a BA in Blended Early Childhood Education.

9. Proposal #69 from Communication Sciences & Disorders to change CSD 3321L to CSD 3325L by deleting the former and creating the latter.

Be sure to look over the Proposal Request Tracking Sheet and check in with your constituent POs between now and next meeting.

   Proposed in response to SBOE’s Common Course Numbering mandate
   BIOL 2227 Comparison Model showing pre-req mapping pathways - current and proposed

   Mike Thomas explained the changes the Biology department intends to make to their Anatomy & Physiology courses in order to meet the State Board’s Common Course mandate. They are creating a lower-level BIOL 2227/L gen ed course and restructuring the upper division BIOL 3301/L and 3302/L courses. The course content will be carefully structured for each course and lab to ensure the students learn the material they will need to know as they progress through their individual program of study, whether health professions or biological sciences. The Biology department will tailor the course content to meet the needs of the other programs that require those courses. To accommodate transfer students, a new BIOL 2228/L course will be added to ISU’s course inventory, but there are no plans currently to offer it. The hope is to improve student success and lessen the current remedial content incorporated in BIOL 3301. Questions and answers ensued.

3. Council approved, as part of the Consent Calendar, Proposal #64 from Fire Services Administration (Appendix 9) to create new FSA 2250 as required course for the BS degree and to specify 60 credits of an AAS degree may be transferred toward the BS degree.

4. Proposal #65 from College of Business to remove BA 4410 from BBA requirements and to add MGT 2216 as a pre-req for INFO 3301. Pulled from Consent Calendar and tabled because of last-minutes changes the department wants to make to the proposal.

5. Council approved, as part of the Consent Calendar, Proposal #69 from Communication Sciences & Disorders (Appendix 13) to change CSD 3321L to CSD 3325L by deleting the former and creating the latter.

D. REMAINS TABLED

1. Council untabled and approved Proposal #43 as amended from Healthcare Administration (Appendix 2) to update curriculum requirements for BS degree. Had been tabled pending more discussion and mutually satisfactory resolution between Economics and Healthcare Administration departments regarding the dropping of HCA 3340 and addition of HCA 4440 instead. In the end, that is an internal departmental decision that does not affect the catalog.

2. Proposal #56 from Teacher Education Studies: CHEM to clean up the catalog, reduce credits, and align curriculum with state certification requirements. This is the fourth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Chemistry portions of the TES curriculum in the catalog. Contingent upon approval of TES Proposal #53 courses. Remains tabled since the concerns of the Chemistry department have not yet been resolved.

State Proposals for Review: none this week

Curriculum, Course, and Program Change Proposals:

1. Council approved Proposal #36 as amended from Practical Nursing (Appendix 1) to decrease required credits from 54-58 to 36 credits, delete ADRN 1104 Nursing Application, and change from an Advanced
Technical Certificate to an Intermediate Technical Certificate in accordance with a ruling from the program’s accrediting body to streamline the program. This is the first of a two-part curricular change that will extend into next year’s catalog cycle. Requires SBOE approval of Letter of Notification #2018-LON-xx. Remained tabled until after today’s discussion of BIOL 2227/L & 2228/L.

2. Council **conditionally approved** Proposal #57 **as amended** from Teacher Education Studies: BIOL, MATH & PHYS (Appendix 3) to clean up the catalog, reduce credits, and align curriculum with state certification requirements.

   This is the fifth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Biological Sciences, Mathematics, and Physics portions of the TES curriculum in the catalog. Was tabled last time to confirm whether to include another MATH course and/or add PHYS 1153 Descriptive Astronomy Lab course in the curriculum; department’s answer was no. *Contingent upon approval of TES Proposal #53 courses.*

   UCC’s approval contingent upon inclusion of pre-requisite courses as worked out by Registrar and College of Education.

3. Council **conditionally approved** Proposal #58 **as amended** from Teacher Education Studies: ENGL & LANG (Appendix 4) to clean up the catalog, reduce credits, and align curriculum with state certification requirements.

   This is the sixth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the English, English as a Second Language, and Foreign Languages (French, German, Russian, and Spanish) portions of the TES curriculum in the catalog. Was tabled last time pending the inclusion of all LANG 1101 & 1102 as required credits in their respective places in the curriculum. *Contingent upon approval of TES Proposal #53 courses.*

   UCC’s approval contingent upon inclusion of pre-requisite courses as worked out by Registrar and College of Education.

4. Council **approved** Proposal #60 **as amended** from Teacher Education Studies: Overview, Admission, Elementary Ed, and Special Ed (Appendix 5) to clean up the catalog, reduce credits, and align curriculum with state certification requirements.

   This is the eighth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Overview, Admission to Teacher Education, Elementary Education, and Special Education portions of the TES curriculum in the catalog. *Contingent upon approval of TES Proposal #53 courses.* Tabled last time to confirm whether to include PHYS 1153 Descriptive Astronomy Lab course in the curriculum.

5. Council **approved** Proposal #61 **as amended** from Biology (Appendix 6) to create new BIOL 2227 / 2227L and BIOL 2228 / 2228L Anatomy & Physiology as Objective 5 Gen Ed courses in accordance with SBOE’s Common Course mandate. Requires GERC approval of BIOL 2227 & 2227L as Objective 5 Gen Ed courses.

6. Council **approved** Proposal #66 **as amended** from Finance & Economics (Appendix 10) to delete ECON 4493, renumber ECON 3303 to 4440 and crosslist it with HCA 4440/5540, reduce credits required for the BA and minor in Economics.

7. Council **conditionally approved** Proposal #67 from English & Philosophy (Appendix 11) to create a new interdisciplinary minor in Film Studies to be housed in English department in partnership with the department of Communication, Media, and Persuasion. Requires SBOE approval of Letter of Notification #2018-LON-xx.

   UCC’s approval was contingent upon favorable impact response from Communication, Media & Persuasion department, which was subsequently received and embedded in the proposal.

8. Council **approved** Proposal #68 **as amended** from Teacher Education Studies (Appendix 12) to remove EDUC 2215 from the requirements for a BA in Blended Early Childhood Education.

ACTIONS APPROVED:

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):

A. Change Memo: BA General Studies credit adjustment for Proposal #39

There has been a request to adjust the credits in the BA in General Studies as shown in Proposal 39.

This degree requires completion of the following program:

General Education Objectives 36
Upper division credits in the fine arts and humanities and/or social and behavioral sciences in the College of Arts and Letters 24 21
Additional upper division credits from programs in the College of Arts and Letters, College of Business, College of Education, College of Science and Engineering, or Kasiska Division of Health Sciences * 42 15
Electives from across the university 48
Total Credits 120

I recommend that this adjustment be made to the 2019-20 catalog.

Volume XXXIV, Meeting 20 (20-20)
MINUTES – Approved by Curriculum Council via email on December 6, 2018; Accepted by Academic Affairs on December 12, 2018

A. PRELIMINARIES
  1a. Attendance:
      Members: Carmen Febles, Steven Byers, Lisa Goss, Tracy Payne, Geoffrey Bennett, Weldon Hill, Susan Belliston (Chair)
      Telecom: Cathy Gray (Idaho Falls), Barb Mason and LaVona Andrew (Meridian)
      Telephone:
      Ex-Officio: JoAnn Hertz, Chris Hunt, Joanne Tokle, Emily White
      Admin. Asst: Catherine Read
  1b. Excused: Deidre Caputo-Levine, Joanne Toevs; Corey Zink
  1c. Guests: Bob Houghton, Kevin Parker, Michael McGregor, Paul Bodily, Isaac Griffith

2. Minutes for November 1, 2018 and November 8, 2018 – vote via email

3. Report from the Executive Committee:
   Met yesterday and discussed various business items:
   • Tracy Payne is resigning from UCC since she has been appointed to serve on COSE’s Executive Committee. Wenxiang Zhu from Math has been selected by COSE as her mid-term replacement, beginning January 2019.
   • SBOE recently revised their Common Course Listing, changing the name of MATH 1153 to Statistical Reasoning, and changing ANTH 1101 back to Physical Anthropology instead of Biological Anthropology and keeping it under Social & Behavioral (Objective 6) instead of moving it to Scientific (Objective 5) Ways of Knowing. These last-minute changes entailed corresponding adjustments to Proposal #13 Revised and Proposal #76. CAAP (the council of Provosts) was slated to review this revised Common Course List this morning.
   • The Executive Committee discussed several proposals on today’s agenda and decided which to include in the Consent Calendar below.
   • Bob Houghton and a few other guests will be attending today’s meeting to answer any questions council members may have regarding Proposal #74 from Computer Science.
   • Proposed changes to SBOE Policies will limit Baccalaureate and Applied Baccalaureate degrees to minimum and maximum 120 credits, unless more credits are required to meet accreditation, certification, or professional license requirements. Such exceptions must be approved by SBOE. Other proposed policy changes may affect future program and catalog proposals as well. More information will be forthcoming as the policies are finalized and implemented.
   • UCC’s business next semester will include changing its Bylaws in light of the new Faculty Constitution and discussing protocols for online course change impacts.

4. Discussion of Proposal #74 from Computer Science – Bob Houghton and other guests
   The Department of Informatics and Computer Science has completely revamped the curricula for the major and minor in Computer Science. The main goal is to reacquire ABET and ACM accreditation which had to be given up a few years ago because of loss of faculty and budget constraints. The Informatics curricula will be revamped for next catalog, since there was not enough time to get them both done this year.

   Council members and guests discussed concerns raised in the impact responses and the adjustments that were made to the proposal. Additional minor changes were made to the proposal during this discussion eliminate a pre-requisite conflict and change the name of a course. Paul Bodily, Michael McGregor, and Isaac Griffith explained the in-depth process they used to check ACM and ABET.
objectives guidelines, the discussions among departmental faculty, substantial feedback from students, and displayed the flowchart they created to help them visualize and analyze the various curricular pathways for Computer Science, Informatics, and Health Informatics, prerequisite and course scheduling constraints, and the overall direction and aspirations for growth and improving the vitality and quality of the programs. There is a great demand for Computer Science and Informatics, among both students and potential employers of program graduates. The current heavy emphasis on Math is a barrier for students to complete the program; sister institutions do not require as many advanced Math courses.

As all council questions were answered, the guests left the meeting. As requested, they subsequently provided an updated rationale for the proposal that included more detail and reason for the changes.

5. Information from Academic Affairs:
The final Common Course List will not be included in SBOE policy since it is so difficult to change policy, but the list will be posted on SBOE’s website.

6. Current Subcommittee Activities:
a. General Education Requirements Committee (GERC) –
GERC canceled this week’s meeting. They meet again on Nov. 27 and will finish reviewing Gen Ed courses for the 2019-20 catalog, including voting to approve the Gen Ed Program catalog changes in Proposal #76.

b. BAS Committee – meets again tomorrow afternoon

7. Information from the Chair: none

8. Information from the Faculty Senate and other Councils: 
   **Faculty Senate:** voted 20 to 0 (n=25) to approve the GEM Gen Ed Program Proposal #76 on 11/12. Tokle attended their meeting and answered Senators’ questions about the GEM proposal.

9. Other related information or questions: none

Problematic Proposals:  
1. GEM Gen Ed Program Courses Proposal #76 – Nov 15  
   SBOE revised the Common Course List again on 11/13, CAAP to vote on it 11/15 a.m.  
   Recent revisions change ANTH 1101 course title from Biological Anthropology back to Physical Anthropology again. Also moves it back to Obj. 6 instead of Obj. 5  
   May require new course descriptions.

C. CONSENT CALENDAR – approved in its entirety  

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes): none this week

State Proposals for Review: none this week

Curriculum, Course, and Program Change Proposals:  

1. Council approved, as part of the Consent Calendar, Proposal #70 from History (Appendix 2) to update curriculum for BA in History to incorporate new courses. Contingent upon approval of Proposal #50

2. Council approved, as part of the Consent Calendar, Proposal #71 from Biology (Appendix 3) to change pre-reqs for BIOL 4460 and BIOL 4490.

3. Council approved, as part of the Consent Calendar, Proposal #73 from Math & Statistics (Appendix 5) to change course descriptions for MATH 4423 & 4424 to match Graduate catalog, create new MATH 4494, delete obsolete MATH 3355 & 3356.

D. REMAINS TABLED  

1. Proposal #56 from Teacher Education Studies: CHEM to clean up the catalog, reduce credits, and align curriculum with state certification requirements. This is the fourth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Chemistry portions of the TES curriculum in the catalog. Contingent upon approval of TES Proposal #53 courses.
   Remains tabled pending resolution of curriculum with Chemistry department.

E. UNFINISHED BUSINESS  

State Proposals for Review: none this week

Curriculum, Course, and Program Change Proposals:
1. Council approved Proposal #65 as amended from College of Business (Appendix 1) to remove BA 4410 from BBA requirements and to add MGT 2216 as a pre-req for INFO 3301.

2. Council approved Proposal #72 from Management (Appendix 4) to create new MGT 1105 Entrepreneurship and Civilization as an Objective 6 General Ed course. Requires GERC approval.

F. NEW BUSINESS

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes):

1. Council approved Change Memo: Delete College of Business 4493 Internship courses (Appendix A)

The College of Business would like to drop the following courses from the 2019-20 Undergraduate Catalog:

FIN 4493 Advanced Finance Internship
MGT 4493 Advanced Management Internship
MKTG 4493 Advanced Marketing Internship

The BBA in Marketing is the only degree program whose requirements are impacted:

State Proposals for Review: none this week

Curriculum, Course, and Program Change Proposals:

1. Proposal #13 Revised from Anthropology to reverse the proposed changes to ANTH 2230 Introduction to Biological Anthropology. Recent changes to the SBOE’s Common Course Listing regarding ANTH 1101 course title and GEM Objective make it no longer necessary to make any changes to ANTH 2230. However, Anthropology wants to add it to the Gen Ed program as a non-GEM Objective 5 course. 
   Tabled to make the last-minute corrections in accordance with recent developments.

2. Council approved Proposal #74 as amended from Computer Science (Appendix 6) to update existing courses, add new courses, delete old courses, and revamp the curriculum for the BS degree and for the Minor in Computer Science.

3. Council approved Proposal #75 from Math & Statistics (Appendix 7) to create MATH 1123P and MATH 1153P as “Plus” sections of existing courses to include supplementary instruction for students
who do not place into the regular sections. *GERC subsequently approved these courses as Objective 3 courses.*

4. Council approved Proposal #76 as amended from UCC and GERC (Appendix 8) to update the General Education Program courses in accordance with the SBOE’s Common Course Numbering mandate. *Contingent upon approval of ANTH Proposal #13, GEOL Proposal #49, HIST Proposal #50, BIOL Proposal #61, MATH Proposal #75. Requires GERC approval. Contingent upon SBOE’s final Common Course Numbering List.*

Change Advanced Tech. Certificate to Intermediate Tech. Certificate in Practical Nursing -- needs LON -- Letter of Notification Request received by Academic Affairs; UCC catalog proposal approved

Problematic Proposals: none this week

C. CONSENT CALENDAR – approved in its entirety

1. Council approved, as part of the Consent Calendar, Change Memo: INFO 3301 remove INFO 1100 as pre-req (Appendix A)
   It was suggested at UCC that COB should consider removing INFO 1100 from the prerequisite of INFO 3301 as documented below:

   INFO 3301 Introduction to Informatics and Analytics: 3 semester hours.
   Techniques and tools for analyzing and solving business problems. Data analytics methodologies, predictive and forecasting procedures, along with executive style dashboard reporting are covered using intermediate spreadsheet functionalities. PRE-or-COREQ: INFO 1100 or equivalent skills and knowledge. F, S

   This change is minor and has no impact on students outside of COB. I recommend that this change be made for the 2019-20 undergraduate catalog.

2. Council approved, as part of the Consent Calendar, Change Memo: A.S. in Physics in 2018-19 Undergraduate Catalog (Appendix B) -- was accidentally omitted in error
   The A.S. in Physics was not included in the 2018-19 undergraduate catalog in error. This memo documents the addition of this program back into the catalog.

D. REMAINS TABLED

1. Proposal #56 from Teacher Education Studies: CHEM to clean up the catalog, reduce credits, and align curriculum with state certification requirements. This is the fourth of eight sub-proposals created from the original comprehensive proposal and includes only changes to the Chemistry portions of the TES curriculum in the catalog. Contingent upon approval of TES Proposal #53 courses. Remains tabled pending resolution of curriculum with Chemistry department. Proposal will be carried forward to the next catalog cycle for 2020-21

E. UNFINISHED BUSINESS

State Proposals for Review: none this week

Curriculum, Course, and Program Change Proposals:

1. Council approved Proposal #13 Revised as amended from Anthropology (Appendix 1) to reverse the proposed changes to ANTH 2230 Introduction to Biological Anthropology. Recent changes to the SBOE’s Common Course Listing regarding ANTH 1101 course title and GEM Objective make it no longer necessary to make any changes to ANTH 2230.

2. Council approved Proposal #76 as revised and amended from UCC and GERC (Appendix 2)– revisit changes to Gen Ed Courses and Program: ANTH 2230/2230L and BIOL 2227/2227L pre-reqs, new MUSI 1105.

F. NEW BUSINESS

Minor Catalog Changes (no proposal needed, just a memo showing the exact changes): none this week
State Proposals for Review: none this week

Curriculum, Course, and Program Change Proposals: none this week

Other Business:

1. Be aware of proposed changes to SBOE policy currently under discussion by the State:
   a. III.E. Certificates & Degrees
      Among other things, the proposed changes would impose maximum (and minimum) credits of 60 for Associates, and 120 for Baccalaureate and Applied Baccalaureate degrees. Exceptions must be justified and approved by SBOE. This could affect State/Program proposals and catalog proposals as soon as Spring 2019. SBOE has not finalized the policy revisions so more changes could occur, but it’s worth keeping an eye on as departments review their programs.
   b. III.G. PostSecondary Program Approval and Discontinuance
      Proposed changes could require additional lead time for proposing significant changes to applied baccalaureate programs.

2. UCC’s next meeting will be January 10, 2019. Minutes will be voted upon by email in the next week or two.

Happy semester’s end, Merry Christmas, and Joyful New Year, everyone!!

G. ADJOURNMENT: 4:00 p.m.

**B. Catalog Change Memo:** to remove EDUC 3301 from the Bachelor of Music Education Professional Education requirements in order to match the College of Education’s changes to the Professional Education core in the Elementary Education and Secondary Education majors.

RE: Changes to Education Core in B.S. Music Education for 2019-20

In proposal 60, College of Education removed EDUC 3301 from the Professional Education core in the Elementary Education and Secondary Education majors and reduced the 14 required credits of internship to 12. These changes should also have been made to the Bachelor of Music Education as shown below.

**Bachelor of Music Education**

Music Education students must complete requirements and be fully admitted to the Teacher Education Program before they can take courses in professional Education number 3000 and above. Refer to the Teacher Education Program in the College of Education section of this Undergraduate Catalog.

Students completing the Bachelor of Music Education must complete 8 of the 9 General Education Objectives (minimum of 36 credits--see the General Education Requirements described in the Academic Information section of this Catalog).

**Professional Education Requirements**
As this change will allow students to finish their BME degree more quickly, it should be added to the 2019-20 catalog.

C. **Catalog Change Memo**: to document various minor changes to several approved proposals, courses, and curriculum that were found to be necessary or beneficial during the catalog editing and production process

RE: Various minor changes found in 2019-20 catalog production

The following is a list of minor changes that were found to be necessary or beneficial during the catalog editing and production process.

- In proposal 29, the department requested a new course with the number AUTM 0111, which has been used before. This course will be published as AUTM 0120.
- In proposal 37, the department requested a new course with the number MSTH 0240, which has been used before. This course will be published as MSTH 0230.
- In proposal 36, the department requested a new course with the number PNUR 0124, which has been used before. This course will be published as PNUR 0127.
- In proposal 53, the department requested a new course CFS 4493. The CFS subject code is no longer used. This course will be published as FCS 4493.
- EE 4427/EE4427L and EET 4472 – These courses list CS 2275 as a requisite, but CS 2275 was dropped from the 2019-20 catalog in proposal 74. The CS department confirmed that CS 1337 “would be an adequate substitution.” CS 2275 was removed from the requisite and CS 1337 added.
- UAS 0270 – Lists RCET 0156 as a prereq, but RCET 0156 was dropped from the 2019-20 catalog in proposal 44, and replaced with RCET 0156B. UAS 0270 was not included in proposal 30. The prerequisite and description for UAS 0270 was updated.
- CSD 3335 – The prerequisite was incorrectly dropped in 2018-19 catalog. “PREREQ: CSD 3330 or permission of instructor,” was added to the course description.
• Proposal 49 – Two new courses were requested with the course numbers GEOL 2200 and GEOL 2201. GEOL 2201 has been used, so the course numbers were changed to GEOL 2204 and GEOL 2205

• Semester offering changes to POLS 2202, 3331, 4401, 4403, 4404, 4405, 4408 and 4467.

• Proposal 50 - New courses HIST 1105 and HIST 1106 should be included in the History Minor as World Regions courses.
• Semester offering changes to BIOL 1192, 2221/2221L, 4400, 4400L, 4406, 4412/4412L, 4428/4428L, 4435, 4439, 4441/4441L, 4444/4444L, 4449, 4450, 4454, 4456, 4466, 4490, 4491, 4492, 4494.

• Proposal 50 - the BA and the Minor in History should include the following courses in the World Regions category: HIST 1100, 1111, 1112, 1118, and 2201.

• Teacher Education - Per Jamie Webster, the concentration in history for elementary education should match the 20 credit secondary ed endorsement. Also, the courses listed in the “World Regions” category for the concentration, 30 credit endorsement, and 20 credit endorsement should match the “World Regions” category as listed in the BA and minor in history.

• Teacher Education - Add GLBL 3379 as option in the 30 credit Social Studies endorsement to replace courses deleted by the history department.

• Teacher Education - 45 credit math endorsement: elective credits should be 6 instead of 3

• Changes to ANTH 1101 and 1102 required changes in the Minor in Latino Studies and the Minor in American Indian Studies.
